GINA, GINA, GINA . . .

HERE WE ARE. FINALLY SENIORS. I CAN'T BELIEVE IT. WE BEGAN TO AND WE WILL BECAUSE WE'RE SENIORS. OUR LAST YEAR. TIME GET TO KNOW EACH OTHER IN SIXTH GRADE WHEN YOU STOLE MY BOYFRIEND 100TH CLASS WITH CLASS. WE'LL HAVE TO PARTY TILL WE PUKE. JUST KIDDING. THEN JUNIOR HIGH CHEERLEADING. WHAT A JOKE; 8TH WELL ALMOST - BECAUSE I KNOW WE'VE BOTH FOUND ENOUGH OF GRADE ON UP JUST KEPT GETTING BETTER AND BETTER AND NOW IT THAT. DOESN'T FEEL TOO GOOD, DOES IT? WE ALWAYS SAY NEVER HAS TO BE THE BEST BECAUSE THIS IS IT. THIS IS OUR LAST AGAIN BUT LIGHTNING DOES STRIKE TWICE IN SOME CASES SUCH CHANCE TO PROVE AND SHOW WHAT WE'VE GOT AND WHAT AS DRINKING. SPEAKING OF DRINKING. — THE WINE YOUR DAD GOT IT TAKES TO SET AN EXAMPLE FOR THE UNDERCLASSMEN. US ON THE WAY TO THE JOURNEY CONCERT. WHAT A GREAT CON- MAKE OUR MARK IN THIS PLACE. NOW LOOK AT US. WERE CERT BUT AFTERWARDS WAS DISASTROUS! THE CAR BREAKING DOWN, PRACTICALLY BEST FRIENDS! CAN TELL EACH OTHER ANYTHING THE TAXI RIDE HOME, THE GHETTO, BATHROOMS AT BURGER KING, AND EVERYTHING. WE'VE GOTTEN SO MUCH CLOSER JUST THIS YEAR. AND HAVING TO GET UP SO MRS. SLEEP AND HAVING A TRIATH MEET ALL THE PARTYING WITH ALL OF OUR COOLERS. AND NEVER FORGET AGAINST MADISON. — BUT WE WON AND REMAINED UNDEFEATED. HOW I TOOK CARE OF YA - I ONLY DID IT 'CUZ YOU MEAN ALL THOSE GOOD TIMES AT TRACK MEETS AND IN PRACTICE. SO DAMN MUCH TO ME. I'VE ALWAYS LOOKED UP TO YOU AND ALL THE GOOD TIMES AT PARTIES WE'VE ATTENDED - JOE RESPECTED YOU SO MUCH AND I ALWAYS WILL BECAUSE YOU HAVE ASIROS, NEWSOMES, HARTMANS. — AND MY 14th B-DAY EVERYTHING GOING FOR YOU. KEEP UP THE GOOD WORK. REMEMBER PARTY WITH A PIZZA BIRTHDAY CAKE — ROLLERSKATING, WHEN . . . WE WENT TO YOUR GRAMPA'S IN 7th GRADE OVER THE AND WHEN WE DRESSED UP AS THE "PUNK-HERS". WELL, TIME WEEKEND AND DID OUR LEAF COLLECTIONS AND YOU GOT PEPPER HAS CURED SO FAST . . . ZOOM AND WE'LL BE MARRIED IN YOUR EYE AND YOU STARTED SCREAMING. I DIDN'T KNOW AND HAVE A BUNCH OF RATS RUNNING UNDERNEATH [redacted] PEEP WHAT TO DO BECAUSE I DIDN'T KNOW WHAT WAS WRONG. I FELT TOTALLY HELPLESS!, AND REMEMBER THE TWO TIMES AS NO - WE CAN'T GET THAT STUPID. NOT YET; WE MUST HAVE OUR FUN FIRST . . . WELL, IT'S BEEN GOOD SO FAR, LIFE THE GERMAN FESTIVAL. OH THAT WAS SO MUCH FUN. I'M GLAD HAS, + I HOPE WE ALWAYS KEEP IN TOUCH. THANKS FOR YOU ASKED ME TO GO. WE GERMANS KNOW TO STICK TOGETHER, RIGHT? EVERYTHING.!!! SEE YOU IN FLORIDA OVER EASTER! Mary Lou Retton raises her hands in victory after scoring a perfect 10 on the vault.

Speaking before the nation is President Ronald Reagan. The Republican team of Reagan-Bush made it a landslide victory over the Democrats by winning 49 states.

"Where's the Beef?" asks Clara Peller in her famous Wendy commercials.

Gina - of you're a really neato kind of person and I'm glad I got to know you during our first ...

Patriotism arouses America

Jokingly placing a "For Sale" sign on the troublesome satelite are the astronauts of the *Discovery*.

Campaigning hard in Texas are Walter Mondale and Geraldine Ferraro.

"Zeitgeist."

"Zeitgeist???"

"Yeah, Zeitgeist. A certain feeling."

"A certain feeling of what?"

"A certain feeling of the times."

"Does Dundee have Zeitgeist?"

"Sure."

"Do Ida, Summerfield, and Blissfield have Zeitgeist too?"

"Sure, but Dundee's Zeitgeist is much better."

"What makes Dundee's Zeitgeist better?"

"We do. Our pride, our attitude, our events, and our spirit make up the Zeitgeist of 1985."

The Olympics proved to be the climax of our nation's patriotism. The world's eyes were directed to the summer Olympics in Los Angeles, where the United States made a strong showing. Sixteen communist countries boycotted the games, but that didn't put a damper on athletes like gymnast Mary Lou Retton and four time gold medalist Carl Lewis, who were instant heroes.

The country may not be ready for a female Vice President, but it is apparent that women will be in the political scene in years to come. The Democratic ticket of Walter Mondale and Geraldine Ferraro raised a few eyebrows, but didn't produce enough votes to overpower the powerful Republican ticket of Ronald Reagan and George Bush in the November 6 election.

The Statue of Liberty received a face lift of sorts. The two year project of overhauling the statue will cost an estimated $210 million dollars, all provided by public donations.

Terrorist groups made the headlines throughout the year. In November, India's Prime Minister Indira Gandhi was assassinated by Sikh rebels, a religious minority group. In weeks to follow, attacks on the Sikhs would bring about the death of over 1000 people.

India was also the scene for the worst chemical plant tragedy in history. The Union Carbide disaster caused the death of an estimated 2500 people. Lawsuits from numerous individuals were filed despite the innocent pleas from the plant.

Ethiopia had its share of problems in 1984. An estimated 2000 people died of starvation even with the efforts from foreign countries and concerned individuals. The British musical group Bandaid, made up of over 20 musical stars, recorded the record "Do They Know It's Christmas?". They donated the profits to the Ethiopian effort.

"These events gave us the Zeitgeist of 1984-85."

"Do any other events give us the Zeitgeist of 1984-85?"

in this wonderful place. Too bad we haven't gotten to know each other better (anyway, there's still time!)

Made in USA

"What else made up the Zeitgeist of 1984-85?"

Locally, the Detroit Tigers gave Michigan something to cheer about by winning the 1984 World Series. At Dundee High School, numerous students could be found showing off their Tiger spirit by wearing the Tiger logo.

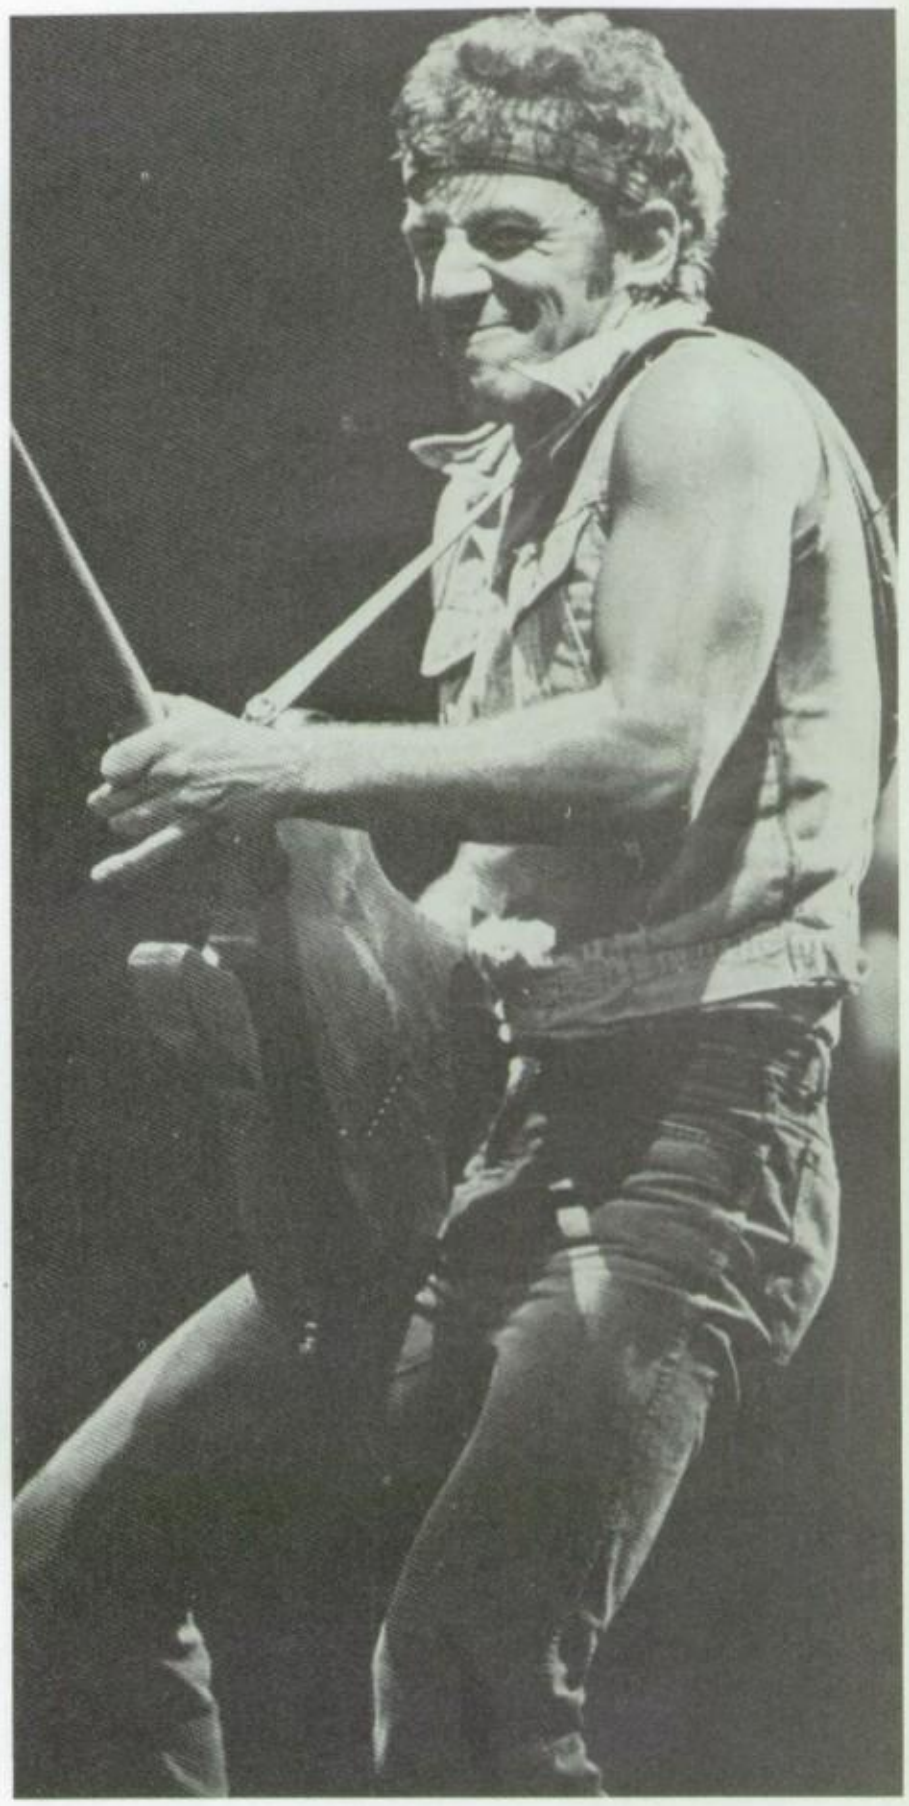
When Dundee students returned in September, they found that construction for the installation of a water pipe along Ypsilanti Street had begun. The project was a nuisance to many of the students who had to walk to school, until it was completed in January.

New toy innovations like GoBots and Transformers became something that every kid just had to have! Along with the still popular Cabbage Patch doll and Trivial Pursuit game, GoBots and Transformers were the hottest selling Christmas items.

The break-up of AT&T in September by the U.S. government sparked the arrival of new long distance phone companies like Sprint and MCI. With all the new competition, consumers have a wider range of options in who will get their long distance business.

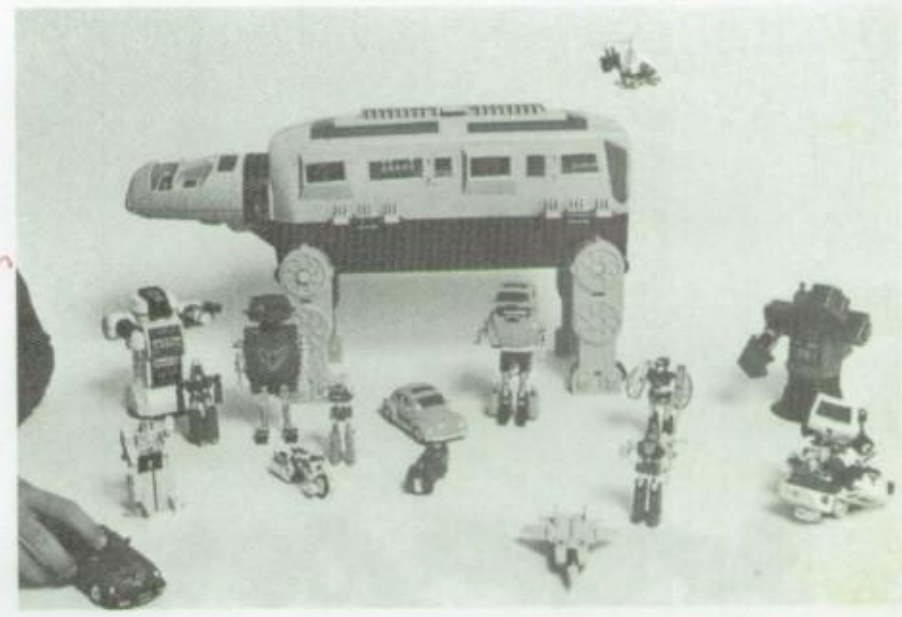
The lift-off of the space shuttle Discovery from Cape Kennedy in November was a national spectacle, as it attempted to repair a damaged satellite in space. The mission was a success for NASA and the United States.

Many medical advances drew the attention of the world. Baby Fae struggled to survive with a baboon heart. She survived an amazing 21 days. The surgery in October questioned many of the moralities of heart transplants. Probably one of the most significant medical advances was the testing of the artificial heart. A second operation was attempted on William Schroeder, who was the first to have a portable unit.



America's growing patriotism was shown in records like the title cut from the album *Born in the U.S.A.* by Bruce Springsteen.

Transformers, GoBots and Robo Force friends were rare items to be found around Christmas time, as sales exceeded all expectations.



Gina,

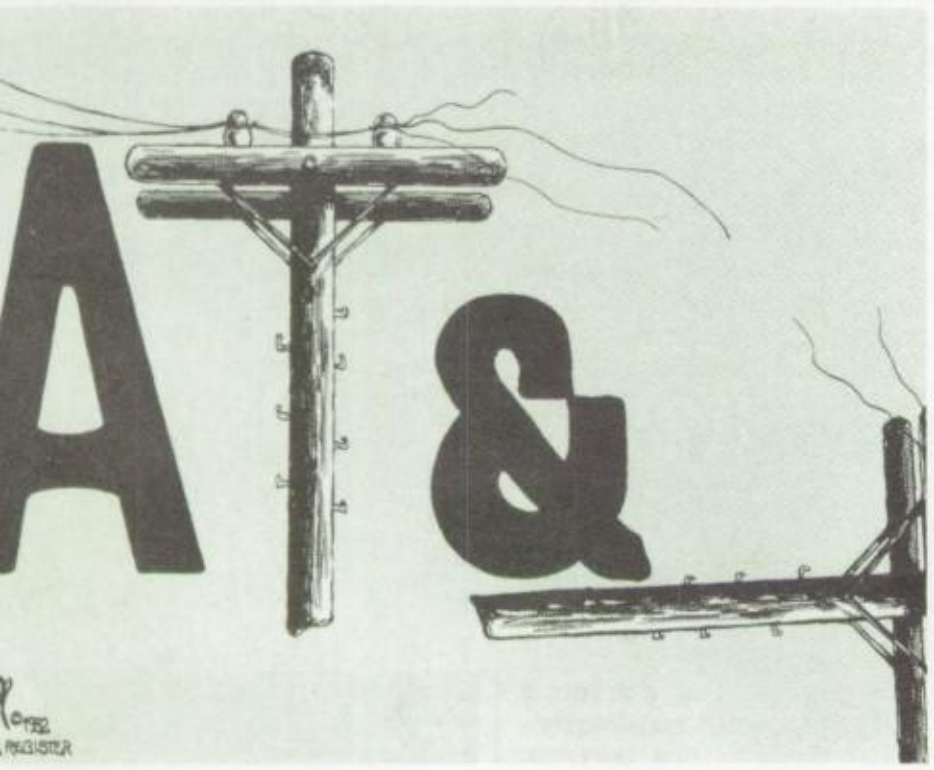
Van Halen's David Lee Roth temporarily parted the group after the album *1984* and went on to have a hit solo album *Crazy from the Heat* with the remake of the Beach Boys' "California Girls".

Breezing through with a time of 9.99 seconds in the 100 meter, is Carl Lewis. This was the first of his four Olympic gold medals and just short of a world's record.



The break-up of AT&T gave long distance customers a choice of long distance companies such as MCI and Sprint.

Gina,
So a good friend that I've known for some time now. Well we are finally on top of all the other students & now we rule (& its about time). Good luck with your future & lets have a great senios yea. Love

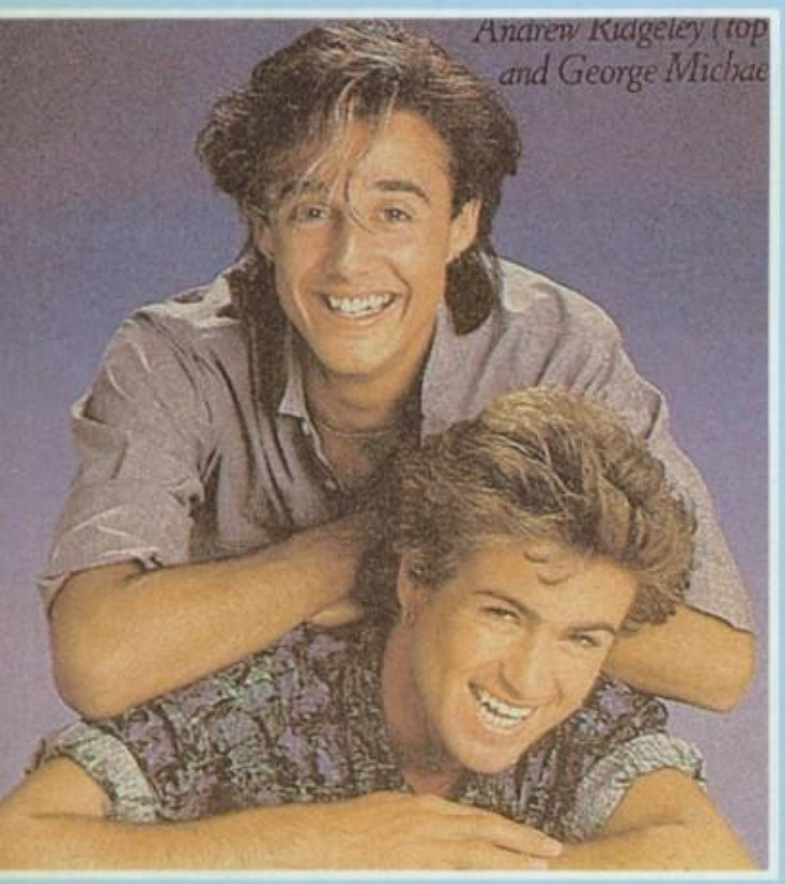
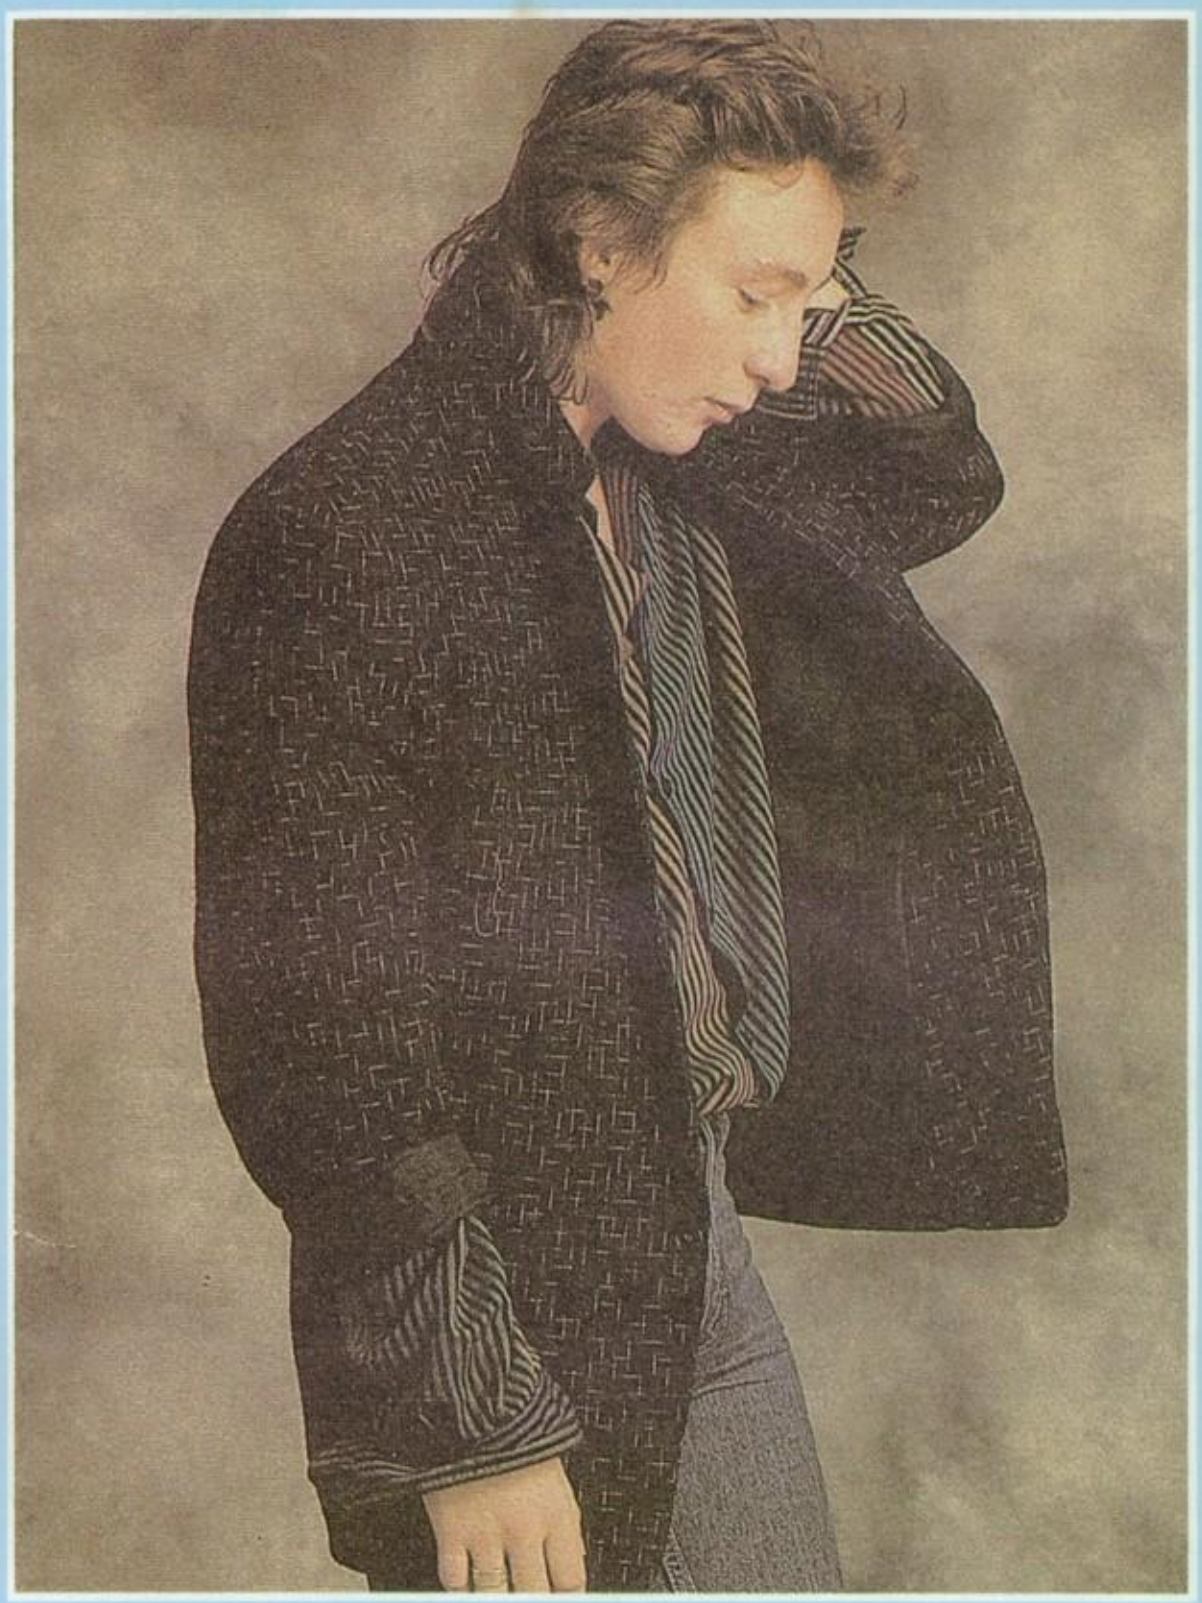
Despite the success of his album *Valotte*, Julian Lennon has to follow in the giant steps of his late father.

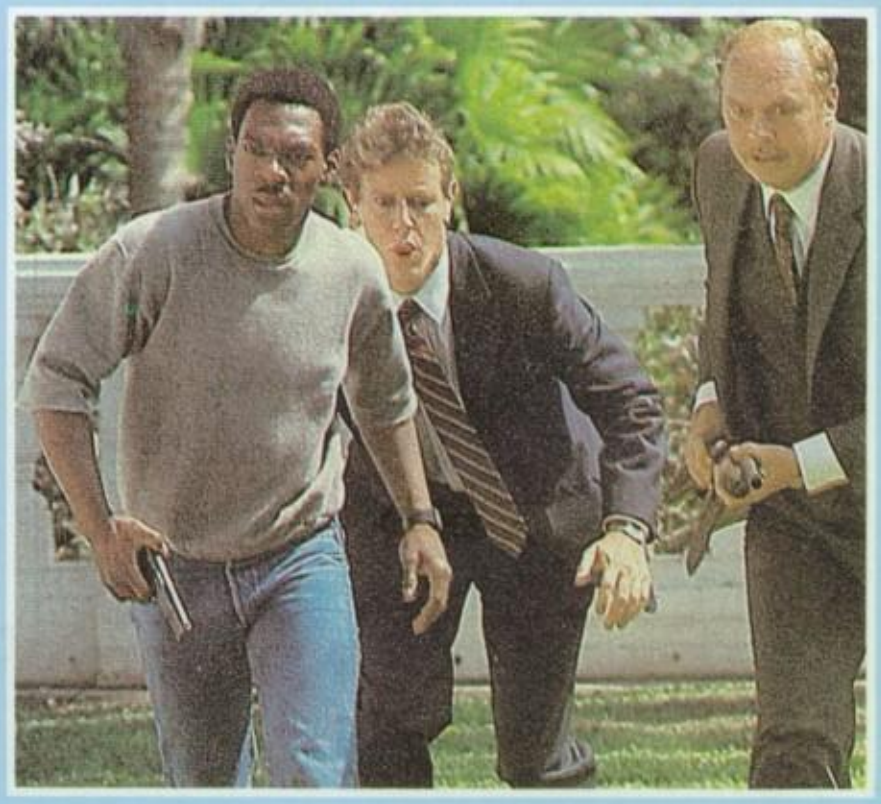
Wham! duo Andrew Ridgely and George Michael contributed to the success of the popular fashion of oversided shirts.



"Who ya gonna call?" ... ghostbuster Ron Brunt!



Aside from being a popular movie, the *Beverly Hills Cop* soundtrack was a best seller with hits like "Neutron Dance" and "The Heat Is On".



Spirit shines during Homecoming

It was a cool but pleasant evening for this year's Homecoming events. Julie Kimble received the honor of 1984 Homecoming queen. Julie's court included Jeanine Bogedain, Lisa Browning, and Valerie Zieske as senior representatives. The class representatives were junior Gina Livesay, sophomore Krista Miller, freshman Dana Sortor.

The week before Homecoming is traditionally dedicated to spirit week. There were many scheduled activities for the students to participate in. Monday was Class Color Day, Tuesday was Sweats Day, Dress Up Day was Wednesday, Thursday was Hats and Buttons Day, and Friday was Blue and White Day.

The varsity cheerleaders helped to enhance spirit week by holding a couple of activities also. Sweetheart Day gave students a chance to show that "special" someone how much they cared by sending a carnation. Rob Salenbien was awarded Homecoming king by his classmates. Students voted for their favorite guy by placing money in jars that were specifically marked with each nominee's name. Each penny was counted as one vote.

The parade tradition continued this year on Wednesday night. It was an exciting evening when the Dundee High School took over the streets of Dundee.

After the game, students attended the Homecoming dance where they enjoyed music provided by a disc jockey.

Displaying their spirit on the float entitled "Vikings Strike Back" are sophomores Dena Matthews and Kathy Colsell.

Escorting his daughter, Gina Livesay, as junior representative is her father, Mike Witt.

The 1984 Homecoming court and their escorts are sophomore Krista Miller and Troy Ott, senior Jeanine Bogedain and Pat McCracken, senior Val Zieske and Rob Salenbien, senior Julie Kimble and Mike Lowe, senior Lisa Browning and Bill Falk, junior Gina Livesay and Kevin Kirkpatrick, freshman Dana Sortor and Terry Murdock.

Soundtracks sizzle

"Zeitgeist is also brought about in entertainment in music, books, and movies. People's attitudes and thoughts are affected by what they watch hear, and read."

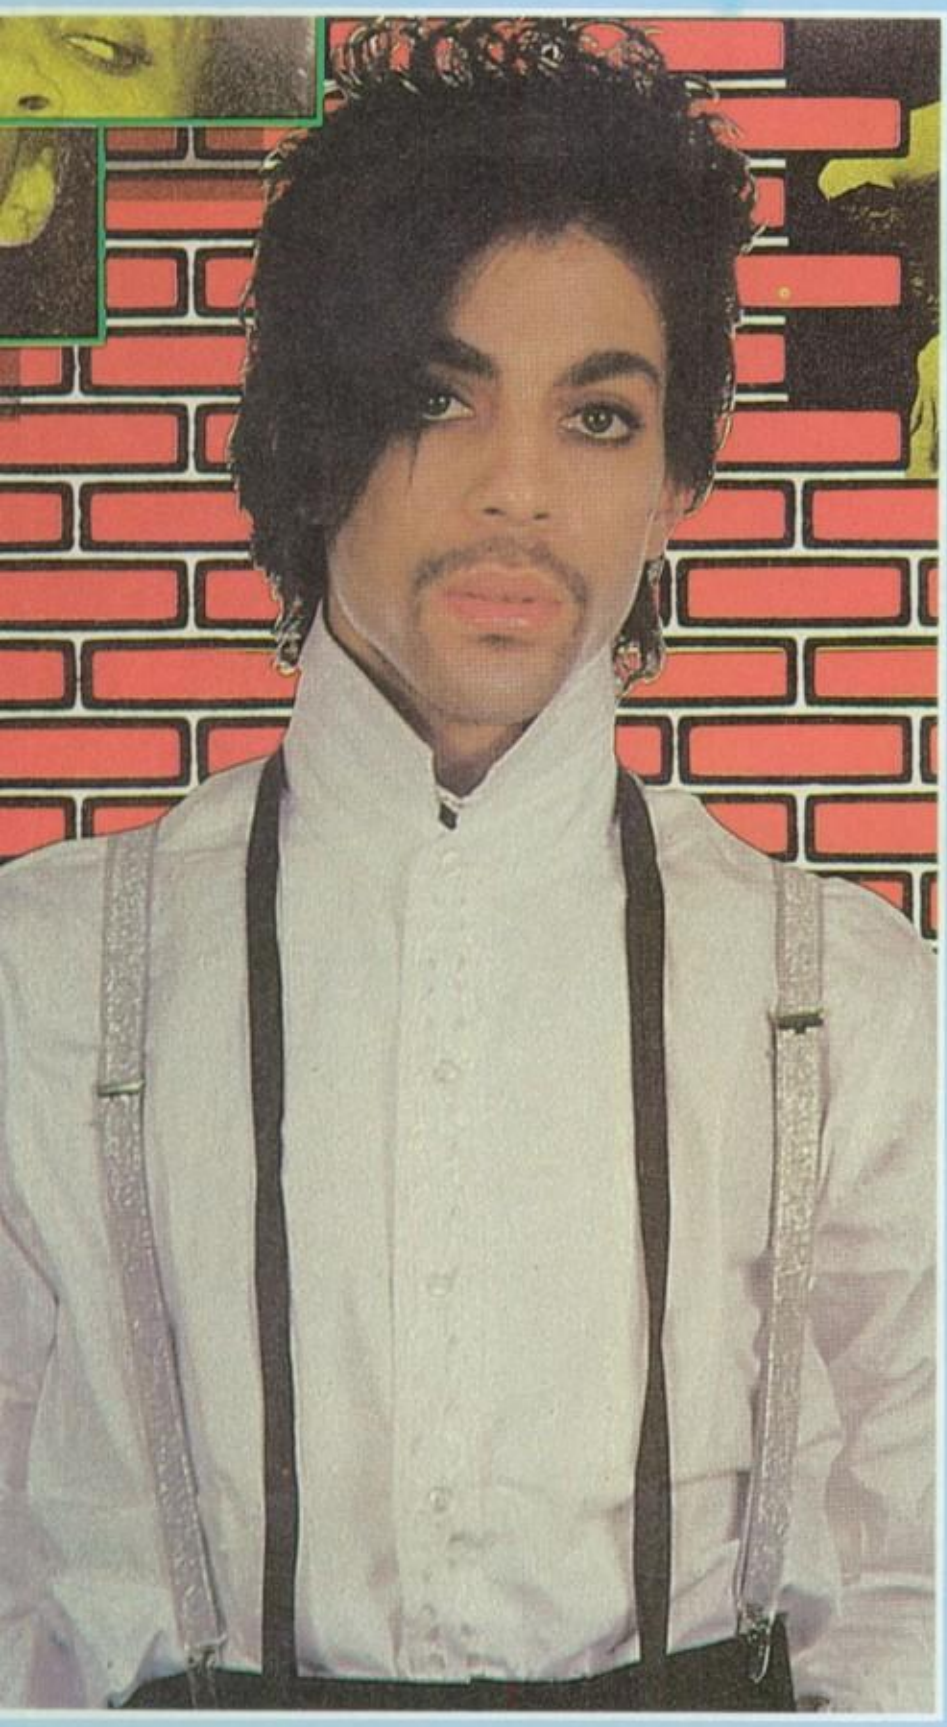
In the field of music, stars like Prince, Lionel Richie, Tina Turner, Bruce Springsteen, Madonna, and Cyndi Lauper were consistantly at the top of the music charts.

Prince and the Revolution made the headlines throughout the year with their hit soundtrack and movie *Purple Rain*, which grossed $25 million. The group went on for a concert tour around the country. In Detroit they broke the all-time attendance record at Joe Louis Arena.

Lionel Richie was the top entertainer of the year with his album *Can't Slow Down*.

Madonna, Tina Turner, and Cyndi Lauper were the hottest women of the music world. It was a comeback year for Tina Turner and her Grammy winning album *Private Dancer*. Cyndi Lauper's *She's So Unusual* has become the first debut album to have five top ten singles. *Born in the U.S.A.* by Bruce Springsteen brought back his diehard fans of the past.

"Lights! Camera! Action!" seemed to be the motto for 1984-85 as numerous movies drew the public and their pocketbooks to theaters. *Ghostbusters* with Bill Murray and Dan Ackroyd had people going hysterical . . . laughing that is. The life and times of Mozart were depicted in the popular movie *Amadeus*. *A Killing Field*, *A Soldier's Story*, *Places in the Heart*, and *Passage to India* were other hopefuls for the academy award for Best Picture of the Year.



With his Edwardian style dress and James Brown singing style, Prince boasted top record sales with his album *Purple Rain*.

At age 46, a youthful Tina Turner skyrocketed to the top of the charts with her single "What's Love Got to Do With It?" from the album *Private Dancer*.

Performing at the Homecoming game are band members Tom Linfield, Dave Dart, and Kathy Barth.

Bless You Boys!!

The Detroit Tigers of 1984 roared through the season, the playoffs and the World Series. During these exciting months, the Tigers performed a feat not done since 1927 by the New York Mets. They were the first team since the Mets that went wire-to-wire and never looked back.

The fans went crazy. But why not? It had been 16 years since the Tigers were in the Series. They rocked the stadium at the corner of Michigan and Trumbell with the wave while the "Boys" on the field shook the nerves of their opponents.

Long time Tiger fan Karen Scott was one of these Tigermania crazed fans. Among some of the games that she went to was the nineteen-inning loss in April to Cleveland. The game ended shortly after 1:00 a.m. She also attended the series against the Yankees in the spring. "The only bad part of the season was waiting in line for two hours," stated Karen.

One of the fans lucky enough to get World Series tickets was Mr. Stock, who bought scalper tickets shortly after the final game started. "It was really an experience," stated Mr. Stock, who also said that most of the people were there for the Tigers and only a few started the violence.

It was a long wait for fame in Tiger-town, but well worth the wait.

One of the highlights of the Tigers' 35-5 streak was the no-hitter against Chicago pitched by Jack Morris. After the game, Morris was embraced in a hug by Lance Parrish.

Gina,
To a real Super Sweet girl we know since 4th grade. Im glad that we stayed friends over the year. I hope Kevin and you last forever. Good luck in all you do. Ill really miss your Smiling face after we get out of here. Lets go out Sometime and do some partying. Keepin touch. Love ya. "86" = "cool class."

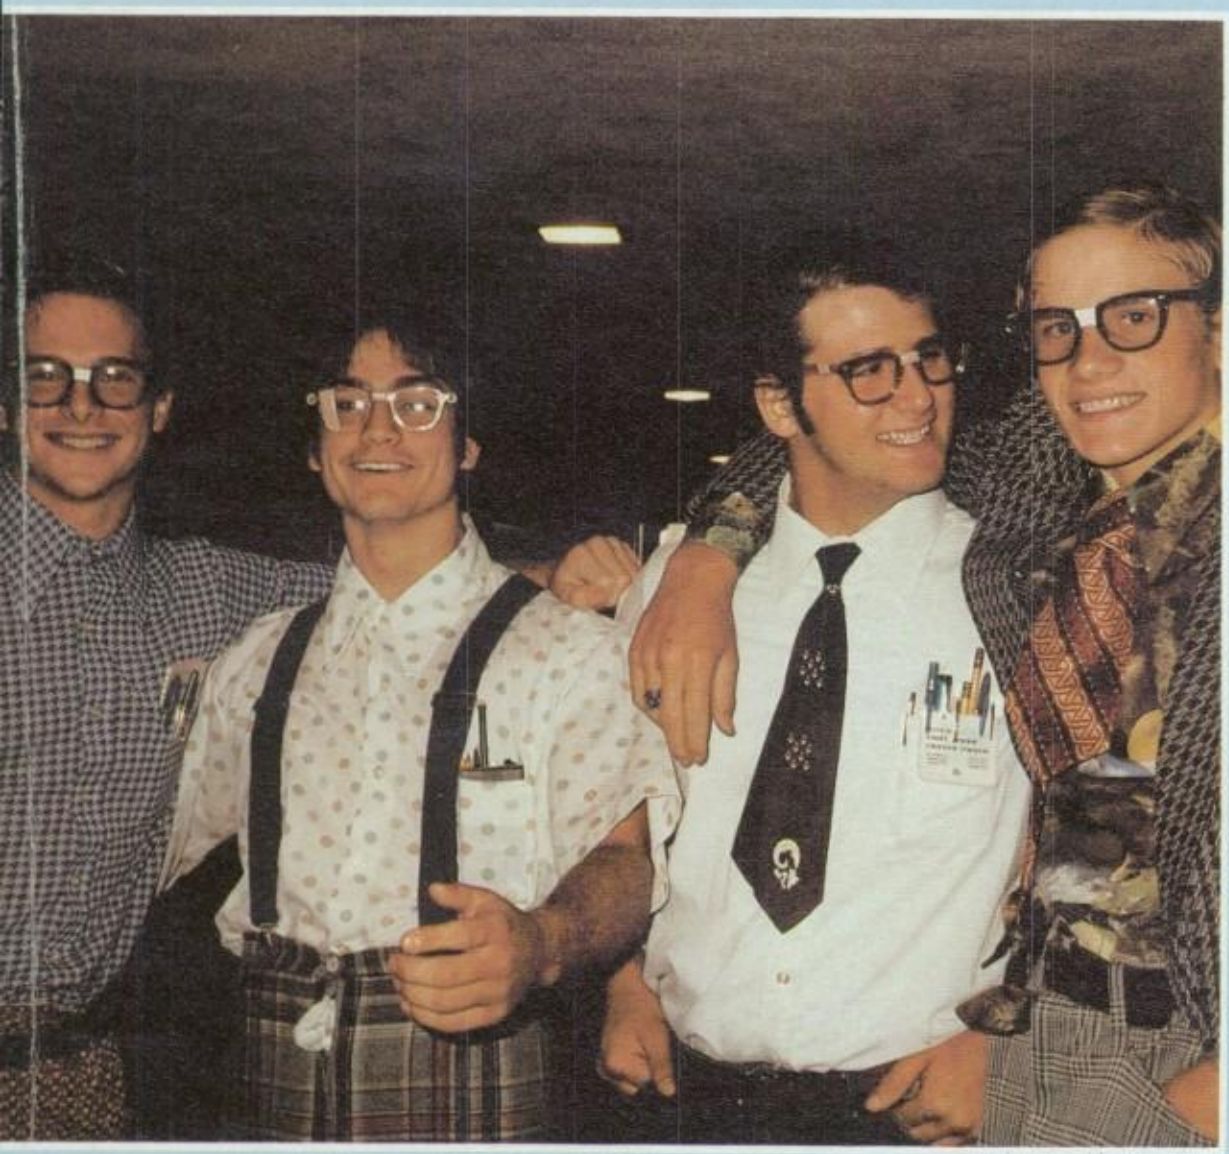
Tim Ott, Eric Edelbrock, Mike Liedel and Rob Salenbien show off their best duds as they portray The Nerds.



Phillip Labert sucks on his bottle between classes as Troy Denman closely follows with his security blanket.

They're so unusual!

"Wow! Did you see Bushy? He looks just like Boy George!"

"Yeah, I can't believe it ... and look at the nerds! They look just like the guys in the movie!"

"Really, I never thought those guys could look so strange."

These were typical remarks that were heard down the senior hall on Halloween morning. The main attractions of the day were new wave rockers Boy George and Cyndi Lauper along with The Nerds from the popular movie *Revenge of The Nerds*. Movies and celebrities seemed to greatly influence the seniors as other costumes included Ron Brunt as a Ghostbuster, Mike Breitner as Indiana Jones, and Lisa Rathbone as Buckwheat from the Little Rascals.

An M&M, a bunch of grapes, a mummy and a playboy bunny were among the other unique costumes displayed this year.

Posing for pictures during lunch hour are some of the more serious seniors.

Enjoying themselves at the Snowball Dance are freshmen Tanya Hemry and junior Donna Willet.

Speaking to the student body as Coach Sellers watches closely is senior cheerleader Lisa Browning.

Senior Sally Hammond is shown playing in the pep band during the assembly.

Attempting to arouse spirit among the students are basketball co-captains Dan Bolster and Todd Briggs senior class president Jeff Beuschelein.

Senior candidates at the Snowball included Tim Ott, Ann Baranowski, Eric Edelbrock, Valerie Zieske, Julie Kimble, Jeffrey Beuschelein, Missy Brososky, Rob Salenbien, Lisa Browning, and Rob Justice.

Student Council Throws snowball!

Christmas and other holiday events were again remembered by students at D.H.S. Several groups and organizations put together their own activities to make the season an even brighter one.

The student council sponsored their second annual Snowball Festival. Included in the festivities was the Snowball Dance, which was held after the Dundee-Onsted basketball game, and selection of Prince and Princess, Jeff Beuschelein and Julie Kimble.

The Spanish club displayed their Christmas spirit with their traditional pinatas, which are paper mache figures stuffed with candies. The pinatas ranged from the popular Christmas item, the Cabbage Patch doll, to Santa Claus himself. The band and choir groups performed Christmas concerts to both the student body and the public. The Future Homemakers of America sponsored a Christmas dinner for the Senior Citizens.

Spirit was on the rise this year as cheerleaders and the pep band members kept the students "fired up" as they displayed their "Bluestreak Buster" pins, in an attempt to defeat Ida.

Junior Ken Rooks takes time to pose with the Spanish pinatas.

Cooling off on the balcony are Dean Seiler, Becky Borton, Becky Root, Chris Bable and Rebel Ramsey.

Traveling from North Carolina to be with Marianne Trottier is Shane Waterstradt.

Strutting their stuff on the dance floor are Mike Heiden and Lea Freshour.

Prom draws largest turnout ever

The biggest prom in school history was Saturday, May 4, at Sauk Valley. Ninety-four couples attended. The evening started at 7:30 p.m. with a buffet dinner of chicken and stuffing, roast beef and gravy, salad and cake.

Senior king and queen were John Taylor and Jeanine Bogedain. Junior representatives were Ken Rooks and Patty VanDorn. Both couples received a trophy as their gift.

D.A.S.A. (Dundee Against Substance Abuse) group held a dance immediately after the prom. Entertainment for the evening included dancing. Music was provided by a disc-jockey and the movies *Sixteen Candles* and *Red Dawn* were shown. A breakfast of eggs, sausage, biscuits, toast, muffins, orange juice and coffee were served at 6:30 a.m.

The 1985 prom would not have been a success without all the time + effort put in by Regina Lara Livesay!

Dancing to the theme song "We've Got Tonight" is senior Rob Salenbien and his date Allison, who attends school in Ann Arbor.

Band goes through changes

Every year there is one word that sums up the year in band. This year that word is *change*. The band went to band camp in Reading with Mrs. Vogie as band director and came back to school to have Miss Moffitt for a director. Miss Moffitt didn't even stay Miss Moffitt, but changed to Mrs. Schark when she married in March.

The change of band directors wasn't all that was different this year. Under Mrs. Schark, private lessons were started for those students that wanted them, and a jazz band made up of teachers, high school and middle school students began.

The band competed in both marching band and concert band festivals this year. The marching band was led by drum majors Missy Brososky and Jim Guyer. The band received a II (second division rating) at both.

The jazz band was made up of teachers along with middle school and high school students.

Flags top off marching season

Attending Kimball YMCA Camp with the band for a week, marching in every parade, spending hours after school and before football games practicing, and performing at every home football game are some of the year long activities of the flag corps.

The corps was led by head-captain Kris Cowen and side-captains Valerie Zieske and Amy Flower.

They added hats to the uniforms purchased last year to top off the season.

Choir presents evening of showtunes

The high school choir presented two concerts during the school year and sold candy and calendars to raise money for new microphone stands.

They opened their annual Christmas concert by playing "Ring Christmas Bells" on handbells. Their spring concert "80's Follies," was presented in May. Several solos and duets were done from such musicals as *Annie, South Pacific,* and *West Side Story.*

Officers were Angela Kendrick, president; Dyan Jenkins, vice president; Cheryl Vanderpool, treasurer; and Brenda Bogoski, secretary.

Eighteen travel to Quebec

Every year various clubs and organizations sell anything from candy to towels to just about anything. Raising money is the main goal and this year wasn't any different.

The French club sold candy to raise money for their biannual trip to Quebec City, Canada, on April 24 through 28. Eighteen students traveled 1,150 miles overnight by train from Windsor to Quebec. During their stay, the students participated in guided tours of both the upper city and lower city. They also attended a concert given by French folk singers. In their free time students had the chance to cross the St. Lawrence River by ferry boat, shop at the largest mall in Canada, and eat in many restaurants and sidewalk cafes. The trip provided many educational opportunities as well the chance to enjoy the unique culture of Quebec.

The Spanish club went to Detroit to see a Spanish ballet and enjoyed lunch at a popular Mexican restaurant.

The Future Homemakers of America held their annual holiday dinner for the senior citizens.

Students work to serve others

Getting involved with activities is what many students do frequently throughout the year. They volunteer their services for groups such as student council, student librarians and student teaching, among others.

The student council sponsors festivities enjoyed by students. They hosted the Homecoming Dance, the second annual Snowball Dance, and three other Friday night dances. They play a big part within the student body by organizing a variety of contests during Spirit Week.

The student librarians are kept busy with numerous duties. Stamping library cards, shelving books, and helping out students are some of the main jobs.

Student teaching is another way students get involved. These students volunteer the time of their study halls to assist teachers. They also receive academic credit for their work.

Busily stamping books are freshman Tina Poppenhager and junior, Chett Collins.

Publications staff busy all year

"I thought it was fun and I can't wait until next year," commented first year staff member Angie Fugate. This year's staff consisted of eight seniors and five juniors, who worked diligently at getting the *Viking Press* out on time.

The yearbook, *Zeitgeist*, took up most of the time of the staff with each staff member averaging about ten pages a piece. "It was quite a task, but we'll all be happy when it's done," stated yearbook editor Dawn Miller.

The Silver Lining, the previous yearbook, won second place honors from the Great Lakes Interscholastic Press Association.

Board has controversial year

The school board had a rough time this year after making two controversial decisions in front of large crowds. Both decisions brought the board media attention and started talks of a recall election.

The first decision came in February when the board supported Dr. Bonnette in his refusal to pay the bus drivers for the snow day on which they refused to drive due to road conditions. Their pay was reinstated shortly thereafter, however. The second decision came in April when they voted to not renew the contract of first year band director Mrs. Rhonda Schark.

The annual school election was Monday, June 10. Charles A. Brososky and James C. Stanley were elected to fill the seats of Donald Schultz and Donald Sheldon, who did not seek re-election.

Also on the ballot was a millage renewal proposition for 5.75 mills. It passed by a margin of 196-77.

The staff was helped by students Michelle Redburn, Dale Risden, Shana Fuller, Missy Brososky, Patti Risden, Karin Cooley, and Desiree Boyd.

Custer injured in mishap

A mishap took place with one of the buses this year. On October 16, Bus #20 was hit head-on by a semi. It was a foggy morning; and as Cory Lake was about to cross M-50 to get on the bus, a semi-truck driver slammed on his brakes and hit the front of the bus. Ruth Custer, the driver, was injured; yet she still was able to make sure that all the kids got off the bus safely. A few of the kids that were sitting in the front were injured, but no one was hurt seriously. After this incident strobe lights were put on the top of every bus to be used during inclement weather. Mrs. Custer was able to return to work in January.

Frank Furrow left Dundee after thirteen and a half years of being a custodian. John Fisher was hired in his place.

After the morning runs the drivers park their buses in assigned spots before students are dismissed.

Coaches meet Career landmark

Two coaches hit their 100 career wins mark in athletics this past year. Mr. Williams got his win at Woodhaven during the boys' swimming season. He has been coaching for fourteen years, but "You can't really count the first two years," commented Coach Williams. He had only two people on the team his first year and five on it the next year.

Mr. Jagodzinski also earned his 100 career wrestling win in a meet against Ida, Morenci, and Ypsilanti Lincoln. The win came against Ida, 43-27 win. Mr. Jagodzinski has been coaching wrestling for the last eight years.

Gridders struggle through season

The varsity football team had a disappointing season, winning only one game and losing eight.

The season's victory came in the final minutes of Blissfield's Homecoming on September 28. The Vikings were down 13-0 early in the game, but fought back against the deficit and won by a field goal kicked off the foot of Petter Andreson. The final score was 16-13, and the Vikings had avenged their 1983 Homecoming loss.

Senior Rob Justice led the team in rushing with a net of 447 yards in 119 carries. He scored two touchdowns and also received honorable mention for the league offense.

Five other team members also received league honors. Eric Edelbrock was named to first team offense, and Larry Gray received honorable mention. Rob Salenbien and Rob Rachor, who set a new school record for nine quarterback sacks, were named to the first team defense. Mike Leidel received honorable mention on the defensive team.

The team had more talent than the scores indicated.

Though the season was disappointing, Coach Hoffman stated that the 1984 squad was "the most enjoyable team to coach. The players wanted to play. They always did their best, and they never tried to quit."

Most valuable player Rob Salenbien watches the game from the sidelines before the halftime show. Salenbien suffered a leg injury earlier in the game.

Inexperience hurt J.V.'s

"Our inexperience hurt us," commented Keith Karain of the JV football team. The team ended their season with a disappointing 0-8 record.

Terry Murdock and Keith Karain guided the team offensively. Murdock rushed for over 300 yards while Keith Karain guided the offense as quarterback.

Glen Rehberg led the team defensively with 61 tackles.

"We played teams that were much stronger than us," commented Karain. Most sophomores were moved up to varsity. "Next year will be our year," he added.

Sometimes for practice, the cross country team would go over to Dennis Ziesmer's house and run up the enbankment in his backyard to prepare themselves for steep hills they would encounter on some of the courses. The team runs over a course of three miles, which includes wooded scenery, city streets and steep hills.

Even though this is the first year Dundee has had a girls' team, they had a winning record of 4-3. Dyan Jenkins was the only member who qualified for the state finals. She finished the course with a time of 23:58. Laura Fritzler was the winner of the MVP award for the girls.

It has been six years since Dundee has had a boys' cross country team. Although the boys put in a lot of hard work, they were winless in seven meets. Doug Edelbrock received the MVP for the boys.

"I thought it was an excellent season," commented Coach Beck. "I'm very optimistic about next year because most of this year's runners were underclassmen."

Girls capture first title

Finishing with a record of 14-7, Dundee for the first time took the LCAA girls' basketball crown. The team produced the most successful season in school history.

"When we started the season, I was a little concerned because of the lack of seniors. But as the season got going, we seemed to play better," stated Coach Addy.

Junior Nikki Weyher led the team in almost all catagories. She led the team in scoring with 366 for a 17.4 game point average. Both stats broke the records which she had set the previous year.

"I expected Cindy Pentercs, Patty Van Dorn and Nikki Weyher to all have good seasons because they were returning lettermen," commented Coach Rick Addy. All three averaged double digits for the entire season. Cindy Pentercs also added in 81 assists and led the team in steals with 65.

In addition to breaking two records, Weyher was the high scorer in 14 of the 21 games.

Jaworski leads team

"Overall, I think the team worked really hard. They played some good quarters, but if I had to summarize the season in one word it would be—inconsistency," stated Coach Sue Gaudet of the J.V. basketball team.

The team ended their season with a 7-13 record. Freshman Kris Jaworski led the team with 141 total points and 15 assists. Sophomore Linda Watson led the team with 130 rebounds.

"At times the team played up to their ability and at times they didn't," added Sally Hammond, manager.

J.V.'s lack experience

"They show promise for next year. The girls were all freshmen, but with experience they got this year, we should do a lot better," stated first year coach Mrs. Dawn Wyse of the J. V. volleyball team.

The team ended their season with a frustrating 0-16 record. Leading the team in scoring was Marty Goetz, who had 43 points. Leeann Missler showed promise with 36 points, and 26 points were scored by Erica Boldt.

"The only thing that kept them going was their school and team spirit," concluded Coach Wyse.

Girls suffer losing season

After taking the league championship last year, the girls' varsity volleyball team suffered a disappointing season, finishing with an overall record of 5-16.

Leading the team in serving was senior Dawn Miller who had a 91.5%/ A freshman brought up to varsity, Kris Jaworski had the highest setting percentage with 90%. Cindy Pentercs led the team in serve reception with 75%.

Though the team had a disappointing season, it had two MVP's, junior Cindy Pentercs and sophomore Chris Liedel. The June Miller Award, which is presented annually, went to senior Karla Kruse.

Returning bright spots for next year are Cindy Pentercs, Kris Jaworski and Chris Liedel. Pentercs was named to the All-League second team and Jaworski received honorable mention.

Johnson re-writes record books

The golf team was led by junior co-captains Ken Rooks and Steve Scultz. They had a 13-9 record and finished third in the league behind Hudson and Blissfield.

The outstanding player on this year's team was Will Johnson, who set twelve school records, finished third individually in the regionals and was the league medalist for having the lowest score at the league meet. He was also named to the first team in the LCAA.

For first year coach Gordon Burkart, the team showed improvement over last year's 11-13 team. The team is expected to improve next season because "We had a team with no seniors and everybody will be back. With some improvement we could win the LCAA and maybe get to the state finals," stated Coach Burkart.

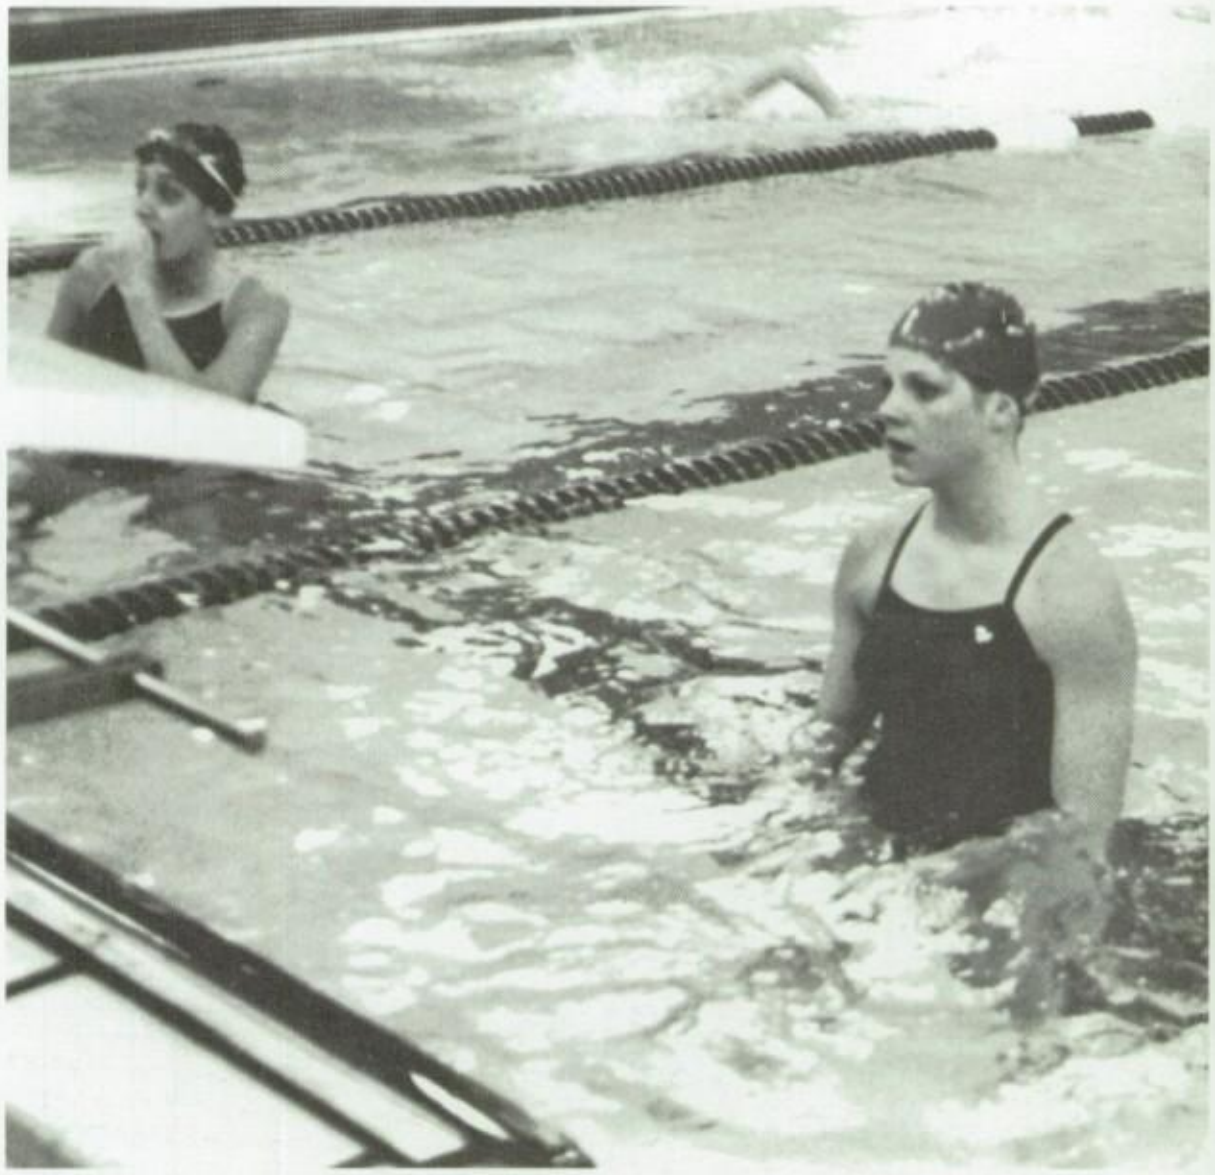
Miller breaks pool record

"I was very pleased with the development of the younger swimmers, such as freshmen Missy Buhl and Amy Smith and sophomores Jenelle Nyquist, Heather McCrea and Angie Hedges," stated Coach Williams. "I was also very pleased with the great attitudes established despite the lack of success."

Led by co-captains Donna Pickens and Kerry Miller, who was also the team's MVP, the girls finished the season with a record of 4-9. Also aiding in the leadership of the team was senior Missy Brososky, who received the leadership trophy.

Juniors Kerry Miller and Becky Borton led the team in outstanding performances. Borton was the team's sole regional diving qualifier, while Miller broke the school record in the 50 yd. freestyle. Miller also qualified for state and was the league champion in the fifty-free.

MVP Kerry Miller and freshman Amy Smith wait for their times after leaving another opponent behind.



Junior Lora O'Lone and the rest of the team congratulate Kerry Miller after her record breaking performance in the fifty-free.

Leading the breast stroke leg of the individual medley is sophomore Marty Goetz.

Tankers break team records

The boys' swim team had the finest season in school history this year with an 11-2 dual meet record. They fell only to strong teams from Milan and Erie Mason.

With tri-captains Tim Ott, Don Sampson and Mike Tyler leading the way, the tankers wiped out team records en route to the league championship and a runner-up finish at "C" State.

Many outstanding performances were turned in by freshmen Todd Margrove (freshmen records in 100 yd. and 50 yd. freestyle) and sophomore Troy Goodridge (varsity and pool records, 100 yd. breastroke). A new standard was also set by the 400 yd. freestyle relay team consisting of Hargrove, Tim Ott, Chett Collins, and Mike Tyler. They broke both pool and varsity records in the events. Another foursome, Hargrove, Steve Sampson, Kurt Kominek, and John Keinath, teamed up to break the freshmen record in the same relay.

Along with the varsity record-breaking relay team and breastroker Goodridge, divers Kit Daniels and Josh Trosvig earned the right to compete in the "B" State meet.

Some of the highlights of the season included the defeat of Woodhaven, which brought Coach Williams' career total to 100, the defeat of Erie Mason in our home pool, and, of course, the first league championship in school swimming history.

Wrestling ability runs in family

The Ostrosky legacy is at its end. Mark Ostrosky was the tenth child and last wrestler from his family to wrestle for Dundee High School. His brothers Tim, Chris and Fred all did well by having winning records and all qualifying for state.

Mark did the same by having a winning record of 36-15 this season and followed in his brothers' footsteps by qualifying for state again this year.

"It was a lot of hard work, and I underwent a great deal of pressure. It was fun and I enjoyed it, but I'm glad it's over," commented Mark.

Slogan enhances successful season.

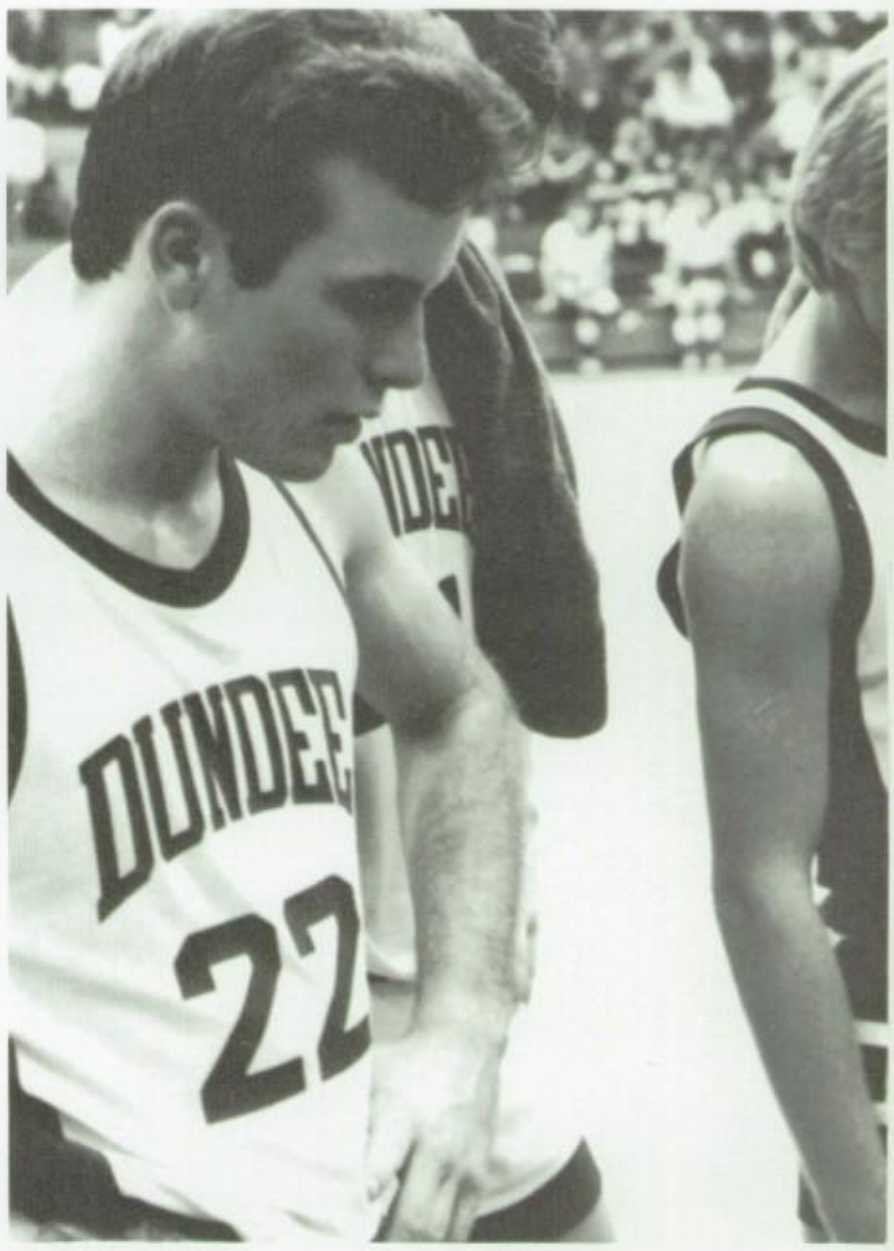
"Girls play volleyball, boys play basketball, and men wrestle," was the slogan for the 1984-85 grapplers.

Their slogan helped to enhance team spirit and gain a winning record of 11 wins and 2 defeats. Total points scored for duals was 715 for Dundee to their opponents' 405 with a 42.05 point average per meet to opponents' 23. 82.

League place winners for this year were first placed, Dan Perion; second place, Tyler Jaworski and Mike Jefferds; third place, Ron Clawson, Jeff Garlough, Tim Roberts and Tim Bomba.

Rob Justice, the recipient of the Ham Munson Trophy, was second on the team in assists with 38.

Best Defensive Player and co-captain of the team was Todd Briggs. He was also second on the team in steals with 41.



Sellers posts winning season

"We had a successful season, but the best is yet to come," stated first year coach Ernie Sellers. Coach Sellers felt that given time, the championship feeling will come back to Dundee. Other coaches around the league displayed this same feeling.

Co-captains Dan Bolster and Todd Briggs led the team to an overall record of 11-10 and a league record of 6-4. The team tied for third in the league behind Blissfield and Onsted.

This year's record was very deceiving. The team played hard at all times. They had two games that went into overtime and lost both of them. The first O.T. game was against Addison where they lost by four points, 54-50. The second game was against Airport, and they lost by one point, 64-63.

Leading this year's team with 269 points, 54 steals, and 74 assists was co-captain Bolster. Not far behind Bolster was John Jefferds with 148 points. Ken Rooks led the team with 120 rebounds.

Bolster was named to the L.C.A.A. second team and was voted Most Valuable Player by his teammates. Jefferds was also named to the L.C. A.A. second team, and Rooks received honorable mention.

Brian Miller led the team in scoring, averaging 17.1 points per game, and in rebounds with 10.5 a game. Alan Ferguson contributed to the team with an average of 12.3 points a game and 8.7 rebounds.

The team ended their season with a winning record of 10-3, and went out in style by winning the Blissfield Tournament. They took the tournament by beating the host team in the championship game, 75-54. Miller had 34 points while teammate Ferguson dropped in 20 points with 14 rebounds.

The team lost only three games despite the fact that Jeff Blackburn was moved up to varsity, and Will Johnson played on the JV team.

Squads host mini rallies

"We had a very successful season, and we worked well together," commented advisor Mrs. Briggs.

The cheerleaders organized many new things throughout the year. Mini pep rallies for the football players were hosted at the south end goal post. They had an old fashioned ice cream booth at the P.T.O. family fun night and provided snacks to the players during football and basketball season.

During the summer the cheerleaders attended a summer camp at Findley College. There they earned a second place trophy. Also, in October they attended a workshop at the University of Michigan.

In addition to the new things the cheerleaders did, during Spirit Week and Homecoming they decorated the halls and the locker rooms.

The cheerleaders also sold Dundee Viking folders to raise money for camp.

Melton posts excellent season

"It was disappointing we didn't win more, but it wasn't disappointing in the fact that we did well individually," commented coach Jim Beck on the 1985 track season. The team finished the season with a 2-6 record and sixth in the LCAA.

Senior Jack Melton had an excellent season, winning ten of eleven 100 yard dashes, nine of eleven 220 yard dashes and ten of twelve long jumps. Melton also broke the 100 yard dash record of 10.1 with a 9.9. "Jack had a fantastic season. Possibly the best anyone has had in a long time," claimed Coach Beck.

Melton along with Chuck Brososky qualified for the state meet at Clare. Melton finished eighth in the 100 meter dash and Brososky finished twelfth in the high jump.

At the team dinner held at Duff's in Monroe, Melton received the MVP award and Chris Ramsey received the Coach's Award. "The outlook is very promising. There is a good group of freshmen and sophomores," added Coach Beck.

Sunshine brightens track season

The track team had very unusual weather this season. They actually had sunshine and warmth!!

The undefeated mile relay of Kim Turnage, Lisa Browning, Natalie Patterson, and Dyan Jenkins qualified for the State meet. Jenkins also qualified in the 880 run.

They were not the only outstanding people during the season. Yvonne Thompson did very well in the 100 yd. dash, but the 440 relay was the race in which she performed best. She was also Most Improved along with Kim Turnage.

The team was led by tri-captains Missy Brososky, Lisa Browning, and Laura Fritzler. They led the team to an overall record of 2-6 and a league record of 0-6.

The team's two wins came at the beginning and end of the season. As always they met Summerfield for the first meet of the season and won 92.5-35.5. The second win of the season came in a double dual meet against Erie Mason and Ida. They beat Ida 89-37 and lost to Erie Mason by only two points, 65-63.

Awards given out this season were Most Dedicated, Laura Fritzler; and Best Freshman, Beth Redburn.

Turnage, Browning, Patterson, and Jenkins finished ninth at the State meet in the mile relay and 880 run.

Voted Best in Field Events, Missy Brsosky threw both the shot put and the discus.

Well baby, we've come a long way. but we made it. Remember the good times we had in track. I wish you would have come out your senior year. Lisa was voted Best Sprinter and Most Spirit. Dyan was voted Best Distance Runner and Most Valuable. She also qualified for the State meet in the 880 run.

Vikings return to home field

After frustrating seasons of poor field conditions and a year with no home field whatsoever, the Viking baseball team was able to play on a completely new surface this year—at home!

Although the varsity baseball team finished the season with a mediocre 8-14 record, they managed a 6-4 league record and finished third in the LCAA.

Dan Bolster led the team with 19 RBI's and a .411 batting average, followed by Dave Lee (.382), Marv Campbell (.333), and Robert Schafer (.315). Steve Schultz won four games to lead the pitching staff.

Both Schafer and Lee made first team All-league, while Campbell made honorable mention. Campbell was also elected MVP and Mike Bromley received the Most Improved Player award.

Team moves to Rod Park

The varsity softball team moved closer to home, moving their playing field to Clarence Rod Park, and managed to have a very successful season. They ended with a record of 9-10 but finished second in the league.

"We had a good season considering the inexperienced players that played at key positions both offensively and defensively," stated Coach McCrea.

Cindy Pentercs had a fine season leading the team in hitting with .398 and on base percentage with .606.

Angie Fugate was second in hitting with .316, and Kathy Cox followed behind Pentercs with an on base percentage of .574. Valerie Ford and Pentercs were selected to the First Team, All-League and Angie Fugate, Kathy Cox and Kris Jaworski received honorable mention.

Gina,
How ya doin'?
Well, we've finally made it! These past couple of years have gone by really fast haven't they? Always remember those post-game dances and the fun we had at project out reach. You're a really super sweet gal and I'm glad I got to know you! Good luck always.
Love,

Freshmen raise funds

The freshman class, under the leadership of president Chris Trosvig, concentrated their efforts in fund raising.

The class of 1988 sold concessions during basketball season with the aid of their advisor, Mr. Williams. They also sponsored an M & M sale to help raise funds for their class treasury.

Class of 88 Sees double

If you happened to be walking down a hall at D.H.S. sometime this year, you might have sworn that you were seeing double.

Actually, you weren't. Among the 132 member freshman class, there were three sets of twins. Beth and Belinda Tyler and Keith and Kevin Karain are identical twins. Matt and Chris Trosvig are fraternal twins.

All three sets of twins agree that being a twin has both its ups and downs. "It sometimes has its advantages," stated Beth Tyler.

"When we were younger, you always had someone to play with, and now it's like you have your best friend living with you all the time," added Kevin Karain.

Perhaps the biggest problem with being a twin is the constant mixups. And when it comes to mixups, not even the office is immune. Says Chris Trosvig, "Matt got in trouble at a football game and the next day, Mr. Schankin called me down to the office." Adds Matt, "I got a detention for tardies when Chris was the one who got the tardies."

Being a twin can be a problem, but the twins all agree that it's fun. Keith Karain sums it up this way, "It's awesome!!"

Laurie Jaworski displays her 4-H awards and projects. She traveled to Grand Rapids to receive her national award.

Jaworski wins National honors

Sophomore Laurie Jaworski received a national award in production and marketing at the National Junior Horticultural Association convention held in Grand Rapids, Michigan.

Laurie wrote a report about gardening projects she did to qualify for the award.

While at the convention, she judged the marketable values of horticultural products and took a written test of this. She was also in a speech contest.

In school, Laurie takes part in basketball and softball.

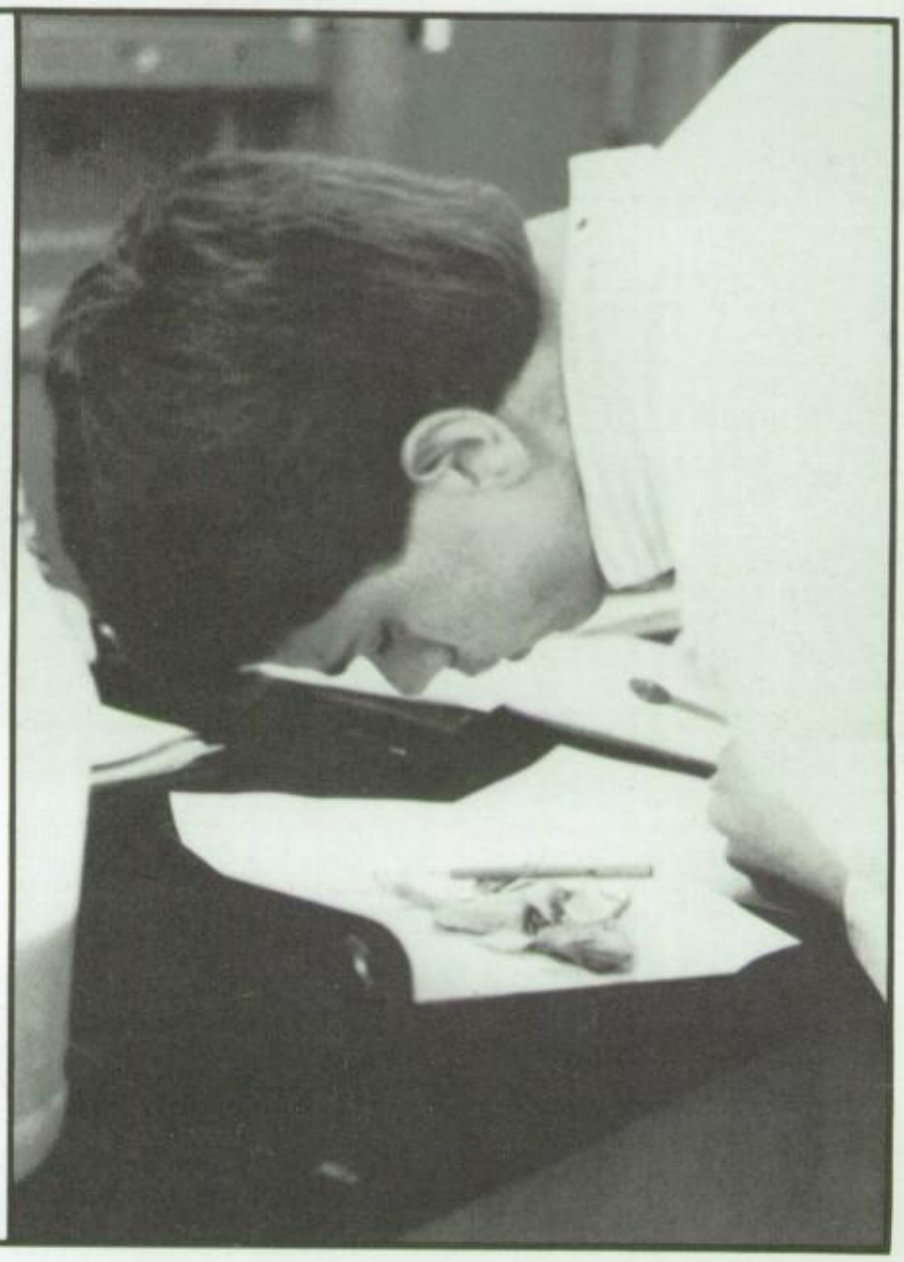
Biology is gross, Disgusting and painful

Every year, Mr. Bremer's Biology I classes have to complete four gross, disgusting and even painful labs throughout the year.

The first of the Fearsome Four is the dissection of the earthworm. You've never looked at slimy, smelly little crawlers like this before!

The next adventure starts when the class hops into the dissection of the grasshopper. And you thought the earthworm smelled bad!

Thirdly, you about croak when you cut up one of the stiff frogs. Last but not least, the PAIN. To find your blood type and RH factor, you have to prick your finger three times! Don't worry, the lances are sterile.



Sophomore Dennis Ziesmer tries to identify parts of a frog.

Money, money! We need more money!

All classes have to raise money for dances and other school related activities. Some of the ways to make money are car washes, candy sales, and bake sales.

The sophomore class started raising money already for the 1986 prom. To have a good prom they will have to raise a sufficient amount of money. This is the project for which they will work throughout the year.

Typing proves To be useful

Typing classes aren't just for sophomores, but Typing I is made up of almost all tenth graders.

Typing is useful for secretarial work, computer operators and other related fields. It also comes in handy when typing term papers in eleventh and twelfth grades.

A student's grade consists of typed papers that are graded and timings. Timings of five and ten minutes determine how fast and accurate a person types.

Busy at work are Dennis Vergowven, Staci Heath, Randy Vigliotti, John Jefferds, Shari Waterstradt, and Liz Heinlen.

Juniors concentrate On fund raisers

The class of '86 started early with their fund raisers this year. During the summer they had several car washes along with the dunking tank at the carnival. Around Halloween they sold class jerseys and Heath candy bars. They also held concessions at football and basketball games. During the winter they sold cookies.

The junior class again sponsored the Junior-Senior prom on May 4 at Sauk Valley.

"Fund raising is a hard job and very time consuming. Fund raisers were okay, but now I know what fund raisers go over better for next year," stated Gina Livesay, president of the junior class. and "SENIOR CLASS PRESIDENT" '86 YEAH!

Students tackle A.C.T.

The biggest fear of all college bound juniors is the A.C.T., or American College Test, which was administered April 20.

Juniors crammed the night before with booklets that Mr. Vuich handed out. Some people even went as far as buying special books and Cliff's Notes for taking the A.C.T.

On Saturday morning, the juniors traipsed into the building determined to do a good job.

"I did fairly well, but I could've done better if I would've prepared myself," stated Angie Fugate.

"I'm very happy with my results," added Jill Jackson, who received a 29 composite.

4-Her steers For success

Jill Jackson is a junior and is active in the "Youthful Workers" 4-H club where she is currently vice-president. Each year she takes pigs, steer, and ducks to the Monroe County Fair and almost always receives blue ribbons for them.

She enjoys taking care of her animals. She feeds and waters them daily as part of her chores.

"Getting ready for the fair is a lot of hard work, but in the end it's worth it," concluded Jill.

Jill is also active in the French club, National Honor Society, band, and student publications.

Feeding her steer is one of the everyday jobs Jill Jackson performs.

Julie Kanitz was valedictorian of the Class of 1985. She compiled a grade point average of 3.897. Her activities included serving as president of the National Honor Society and band council, vice president of the student council and French club, and treasurer of the senior class.

Salutatorian was Dawn Miller. She compiled an academic average of 3.872. Her activities included being a member of *The Viking Press* staff, National Honor Society, student council and varsity volleyball team. She was also editor of the yearbook.

It's okay, Julie!

C'mon Julie, it's not that bad! Julie Ellison seemed very apprehensive before it was her turn to be measured for her cap and gown, but realized that it would be worthwhile in the end when she finally received her diploma.

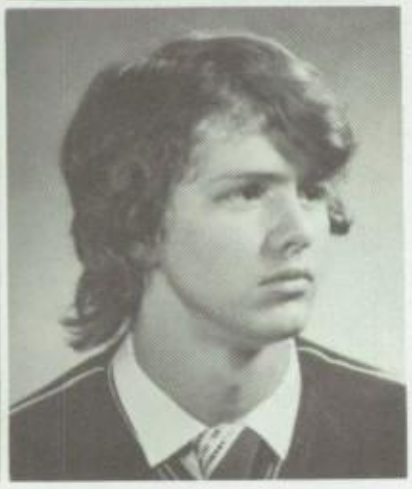
Painted cars signal The end is near

Every year many seniors show their feelings of excitement as the final days of school roll around. Mike Liedel and his friends displayed their senior spirit by painting Mike's Fiesta.

By using shoe polish, almost any design could be made on the car and then easily washed off later.



Busted!

Throughout the year, many speakers came to Mr. Stock's business law class to give advice to seniors. Here, officer Pete Begin and a fellow Monroe city policeman demonstrate the use of shackles on Chad Davis.

Students also had the opportunity to see the inside of a police car and view how a radar works.

Breakfast Club Hits Dundee

On Friday, April 19 a group of seniors met at Wendy's for a senior breakfast. Approximately 30 seniors rolled out of bed early enough to attend.

Gina,

Everyone knows what a great special person, and believe me, I really do! You've always understood my stupid problems. I wish in so many ways that I was like you. You've come out with everything anyone could want and child, if you don't it, you surely will someday (have) because you have so much AMBITION and DETERMINATION! How can someone be so pretty, have so many nice things, be so involved with everything and still care about every single little person out there? Everyone in our grade has grown up a little (some very little :) in some way throughout the years. But you!! You're so with it! You know more than most people twice your age. Remember when we were "in-laws" because of our stupid boyfriends? You're the only thing that kept me through that awful wrestling year. You've brought me up many times, you've listened to my FRUSTRATIONS about people! Alot, no, most of my memories from this place will be with you! You've made H.S. worthwhile.

After a softball game, Yumi Fukuda stays to watch band awards.

Walking out on the dance floor at the Homecoming dance is Petter Andresen.

David Duford helps Andreas Hagen work on a problem in advanced math.

So this is America?

We have been honored to host four foreign exchange students, Yumi Fukuda from Japan, Petter Andresen from Norway, and Andrea Hagen and Christian Schaefer from Germany.

Yumi is from Nagano, Japan, and has spent her year living with the Dennis McCracken family. She likes American schools because there's more freedom in them. In Japan, the students have to wear uniforms. During the year she participated in basketball and softball.

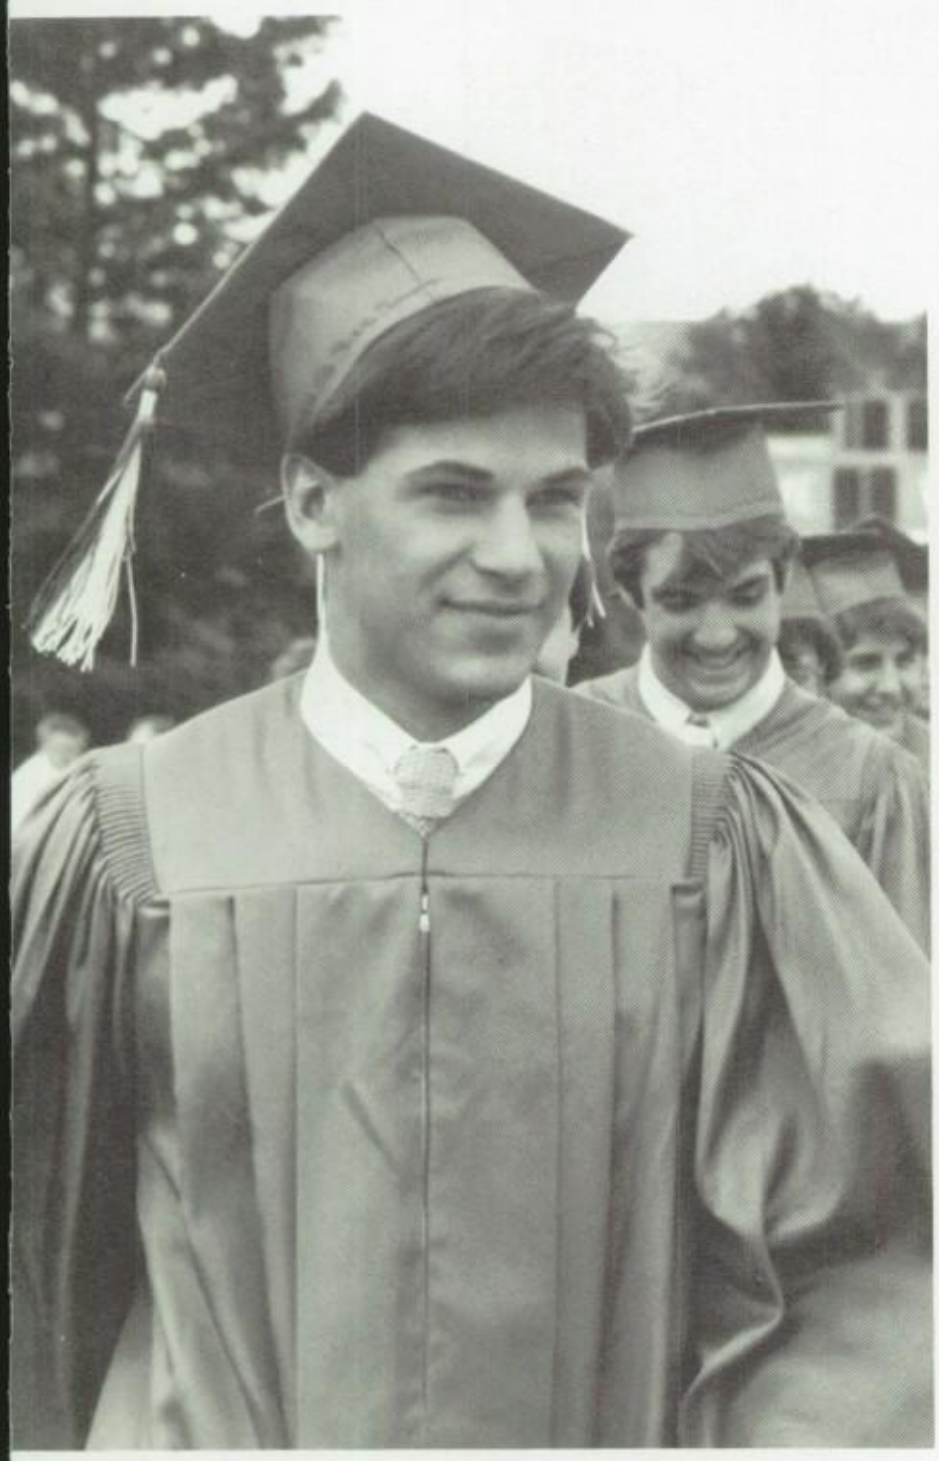
"American people are very friendly. If I have a chance I would like to come back in the future," commented Yumi.

Petter from Oslo, Norway, enjoys sports. During the school year he played football and basketball. He also enjoyed water skiing. Living with the Vaughn Massingill family, he got to travel to New York and Florida. Petter's favorite classes were Computers I and II.

Andreas lived with the Dale Sturm family during his stay in Dundee. The only thing in America that he dislikes is that he can't drive. In Germany the cities are closer together so one can ride a bike here and there.

"I will never forget this school and my friends which mean a lot to me. You people gave me so much. Thanks to everybody," stated Andreas.

"What I learned here did not meet my expectations, but I was not disappointed at all," admitted Christian from Dusseldorf, Germany. Chris stayed with the Douglas Heinlen family. He likes the variety of classes in school, but his favorite was mechanical drawing. From Chris' point of view, the U.S. has the world's greatest radio stations.



Not every German student can say that he has an American high school diploma like Christian Schaefer can.

Seniors earn awards

Dawn Michelle Miller, Valerie Zieske, and Rob Salenbien walked away with the majority of the awards on May 22.

Dawn was awarded various keys including: Spanish, yearbook, science, math, social studies, English, and activities. She received a scholarship from the student council and from the Monroe Sertoma-Richard Held Memorial. She also received the Presidential Academic Fitness Award.

Val received a French key along with leadership, service, and citizenship awards. She also won an American Legion Citizenship Award and a scholarship from the Dundee Business and Professional People.

Rob received an industrial arts key along with a citizenship award. He was awarded the Brian French Memorial Scholarship and a MCCC scholarship. also, he received an American Legion Citizenship Award and the Holland Trophy.

Mark Ostrosky, along with the Presidential Academic Fitness Award, received a Leon Wells Scholarship and one from the Dundee Business and Professional People and was a county level winner for the MCCC Presidential Scholarship.

Debbie Smith was awarded the business education key along with the Winston Sheer Scholarship and a MCCC Instructional Scholarship—Secretarial.

Others receiving awards were Todd Briggs, Pat McCracken, Sam Mills, and Donna Pickens, semi-finalists of the A.C.T.; David Duford, Don Sampson, and Scott Williams, Presidential Academic Fitness Award; Kelly Eccleston, Angela Kendrick, and Allen McDonnel, choir keys; Tammy Bomba and Lisa West, home-ec keys; Michelle Davis and Theresa Sanders, band keys; Theresa also received a foreign language key. Others receiving keys were Lisa Browning, English; Jeff Sturm, math; John Straits, French; and Eric Edelbrock, industrial arts.

Scholarships were awarded to: Missy Brososky, David Stempien, Julie Kanitz, Kris Cowen, Marianne Trottier, Kelly Kesler, Tracy Francis, Michelle Davis, Julie Straits, Phil Labert, and Kelly Eccleston.

Class of 85 graduates

A hot, breezy June 2 was the scene for the 99th commencement of Dundee High School.

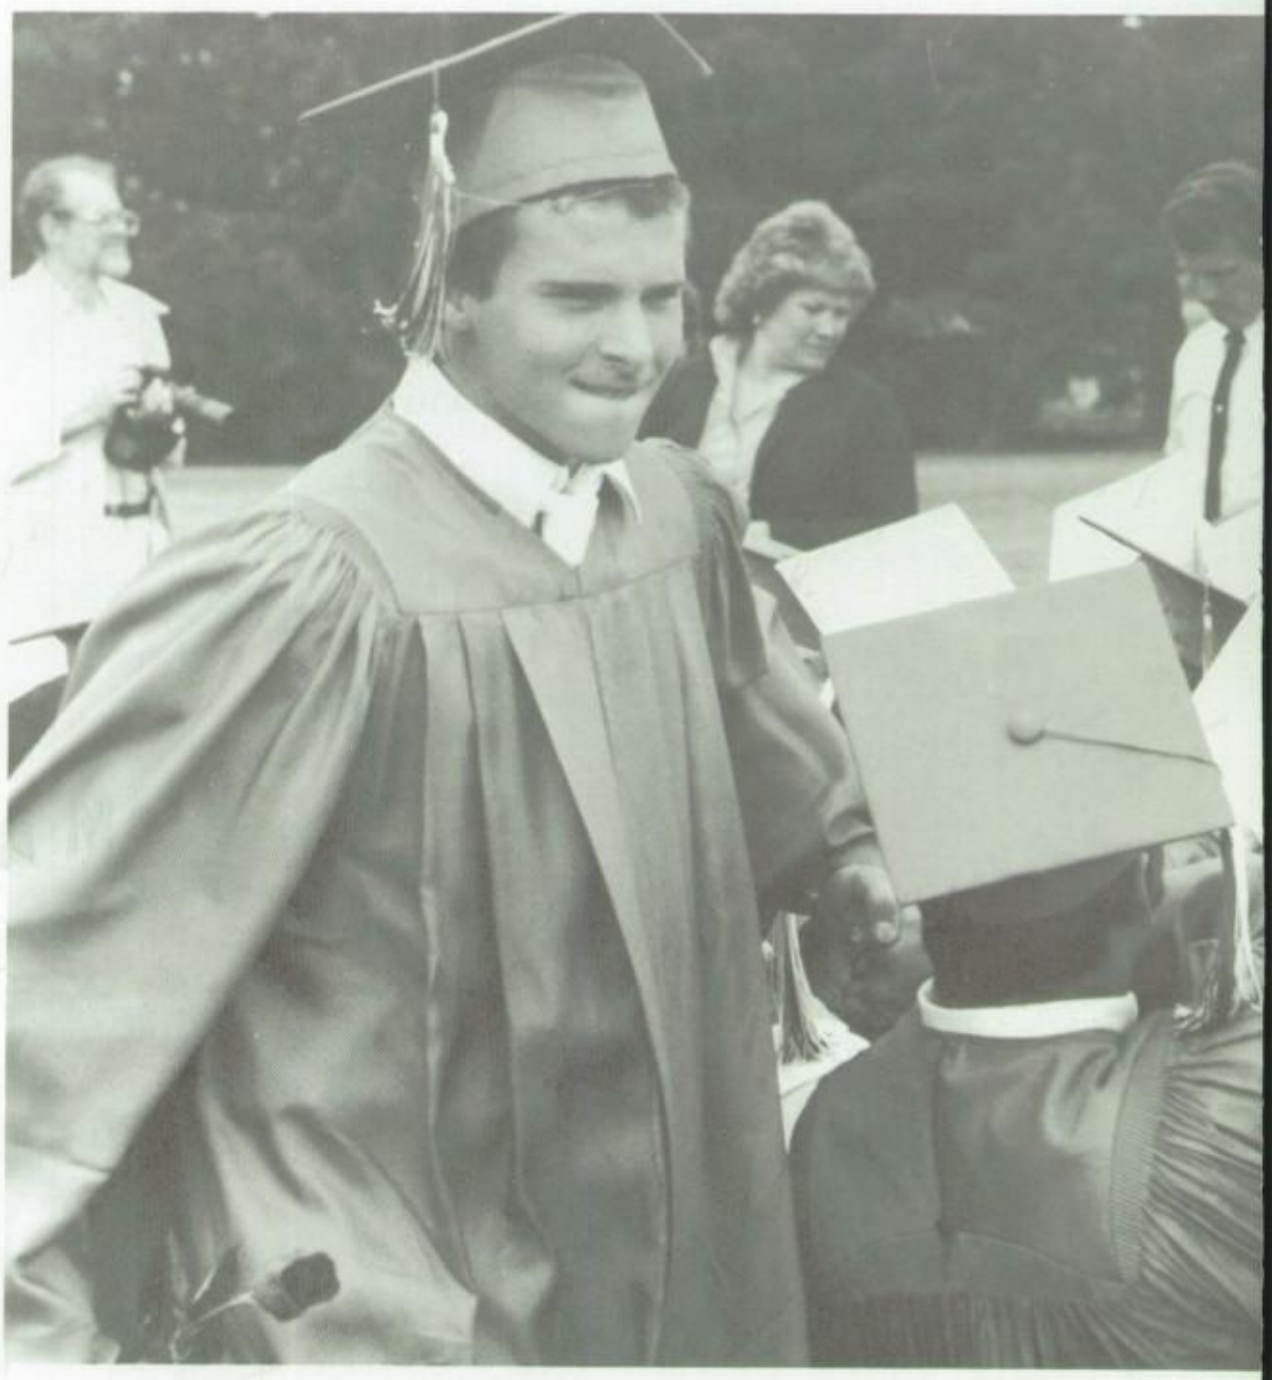
The traditional processional, "Pomp and Circumstance," was played as the 128 graduating seniors filed onto the field and took their seats. Elder LeRoy Zieske of the Reorganized Church of Jesus Christ of Latter Day Saints gave the baccalaureate address. His daughter Val was among this year's class.

Julie Kanitz and Dawn Michelle Miller delivered the valedictorian and salutatorian address respectively. The high school band, under the direction of Mrs. Rhonda Schark, played "Denbridge Way."

Each of the seniors then walked to the stage and received their long awaited diploma and a red rose given by the National Honor Society. Class president Jeff Beuschlein led the graduates in the class pledge.

The graduates then filed out to "A Little Concert Suite."

Tim Ott shows his pleasure at the thought of graduating.



James Claphan, Phil Labert and Todd Rumler join the high school band for "Denbridge Way."

Delivering the baccalaureate address is Elder LeRoy Zieske.

Board member Walter Brehmer shakes Kris Cowen's hand after she receives her diploma.

Julie Kanitz delivers the valedictorian address to her classmates at the 1985 commencement.

Filing onto the field for graduation is Tim Ellison.

Waiting patiently for the beginning of commencement is Mr. Wilcox, middle school principal, and the class of 1985.

Regina,

Well, where do I begin? We have been through heaven and hell together and I am so glad we are the best of friends now! I can't believe that we are seniors!!!!! We have had so many great times together, like this year when you and I went out the night of a football game and we got blasted on Yukon Jack and then went to the football game blasted. We had a great time and then the night - you, me, Beth and Diana went out and did nothing wrong, but went to Toledo - and got a hold of *Mr. Gossip* pretty drunk! We will never forget the times at about lunch, who could get blasted, and we will still as long as it is *Budweiser*. I know some-times I get on your nerves and I am sorry, but please be patient with me okay, I don't want anything to ruin our everlasting friendship. *Budweiser #1* I don't even want to think about graduation, because I can't believe we are actually graduating. We will have a blast before commencement. Remember the days as a wresterette, when good ole MS. Q was adviser, she hated me but do you think I care. I hope you are not too angry with me because I am not going to St. Lauderdale, but take pictures of me + Missy! Remember all the pictures of the graduation and now we can finally go to each others parties! Yes! I am glad you are Prez. Congratulations Class of '85 Our class. Track was another story, gosh Yes. Gaudet was great, and it's too bad neither of us are going out for track!, we will probably

Best Wishes from

Gina,

We have been friends for a long time. (ever since 7th grade) and I have always felt that no matter what the problem was I could always talk to you about it. I want to thank you for always being there willing to talk and help me out. We have definately been through a lot these last few years (it made some of us grow up at least) I want to wish you luck with the Kadies and with everything else you do. I'm glad we both have someone who makes us happy. Just think, way back two, almost three years ago when I first liked Sam you and Mindy were the only ones that knew. Now look at us. I knew I'd get him somehow. It just goes to show that if you really want something dont give up until you get it. I'm going to really miss you after we get out of school. I'll also miss your family. They have always been so nice to me. Promise me that you'll keep in touch and or write or something OK? Before we know it we will be out and I'll be a mommy! I Cant wait. Yaill have to baby sit sometime for us. Have fun your last year of school. I know you will. Always Always the thing I like most about you, you're a lot of fun to be with and a great friend. Keep out of trouble I know you will. Love ya

To a really sweet and good friend. Don't ever forget all the good times we had when we were little. Congrats. (Especially at your B-Day Party!) Have a good Senior year and Best of luck after we get out of this hole! I hope you find lots of happiness cuz you deserve it Baby!

Love ya lots,

Angie '86'

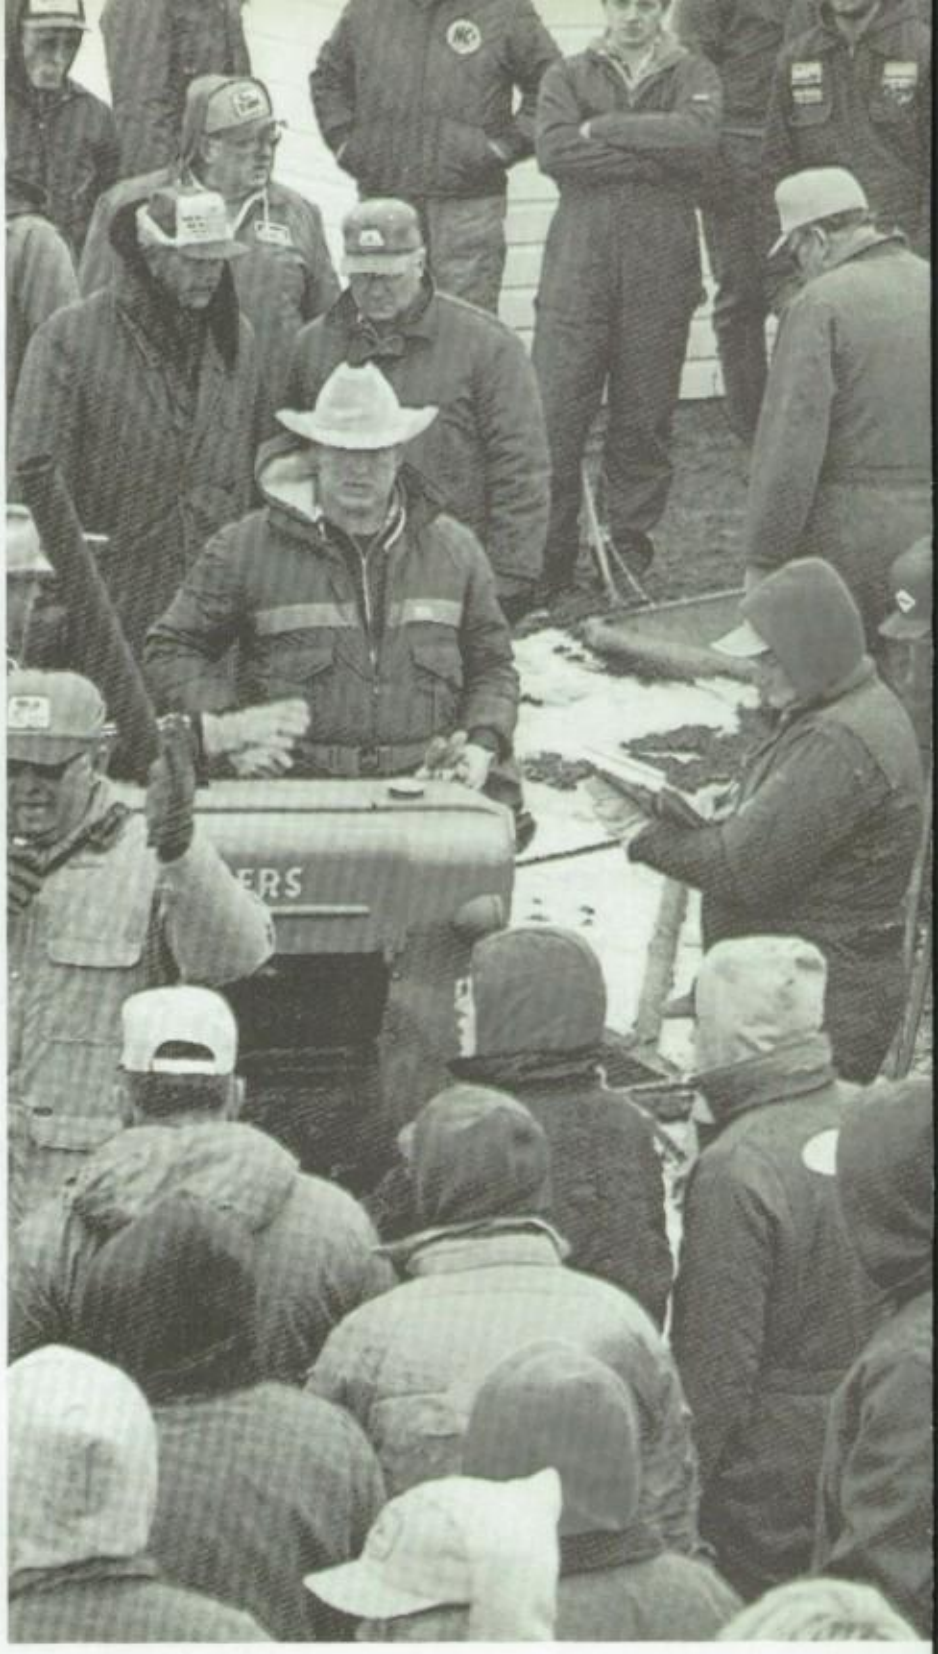
P.S. Stay out of trouble, at least for a little while. Smilin'!

Plumetting farmland and crop values coupled with Reagan's cuts in many of the farmers' subsidies have forced many into bankrupcy.

President Reagan's visit to the Bitiburg cemetery in West Germany, where 47 German SS troops of World War II are buried, was marked with protests by American Jews, who were outraged at what seemed to be a mockery to those Allies who served in the war. Protests were staged and many war veterans mailed their war medals to Reagan in objection to the visit.

There's a new hope for peace as Mikhail Gorbachev took over the rule of the U.S.S.R. afer the death of Konstantin Chernenko. His willingness to talk with world leaders gives an optimistic outlook to future U.S.—Soviet relations.

With the River Raisin in the flood stage, Dundee was faced with water as deep as three feet along many of its streets in March.



Asian continent's problems continue

As if the subcontinent of India didn't have enough problems, a hurricane that rose from the Bay of Bengal killed as many as 25,000 people in the country of Bangladesh in late May. The homes of 50,000 people were destroyed.

Problems came closer to home when Cathleen Webb publicly retracted her earlier charge of rape against Gary Dotson. Her confession came a little late as Dotson had already served six years in prison despite his innocence.

In the medical news, Murry P. Haydon, a 58-year-old assembly line worker, joined William Schroeder as the third recipient of a permanent artificial heart.

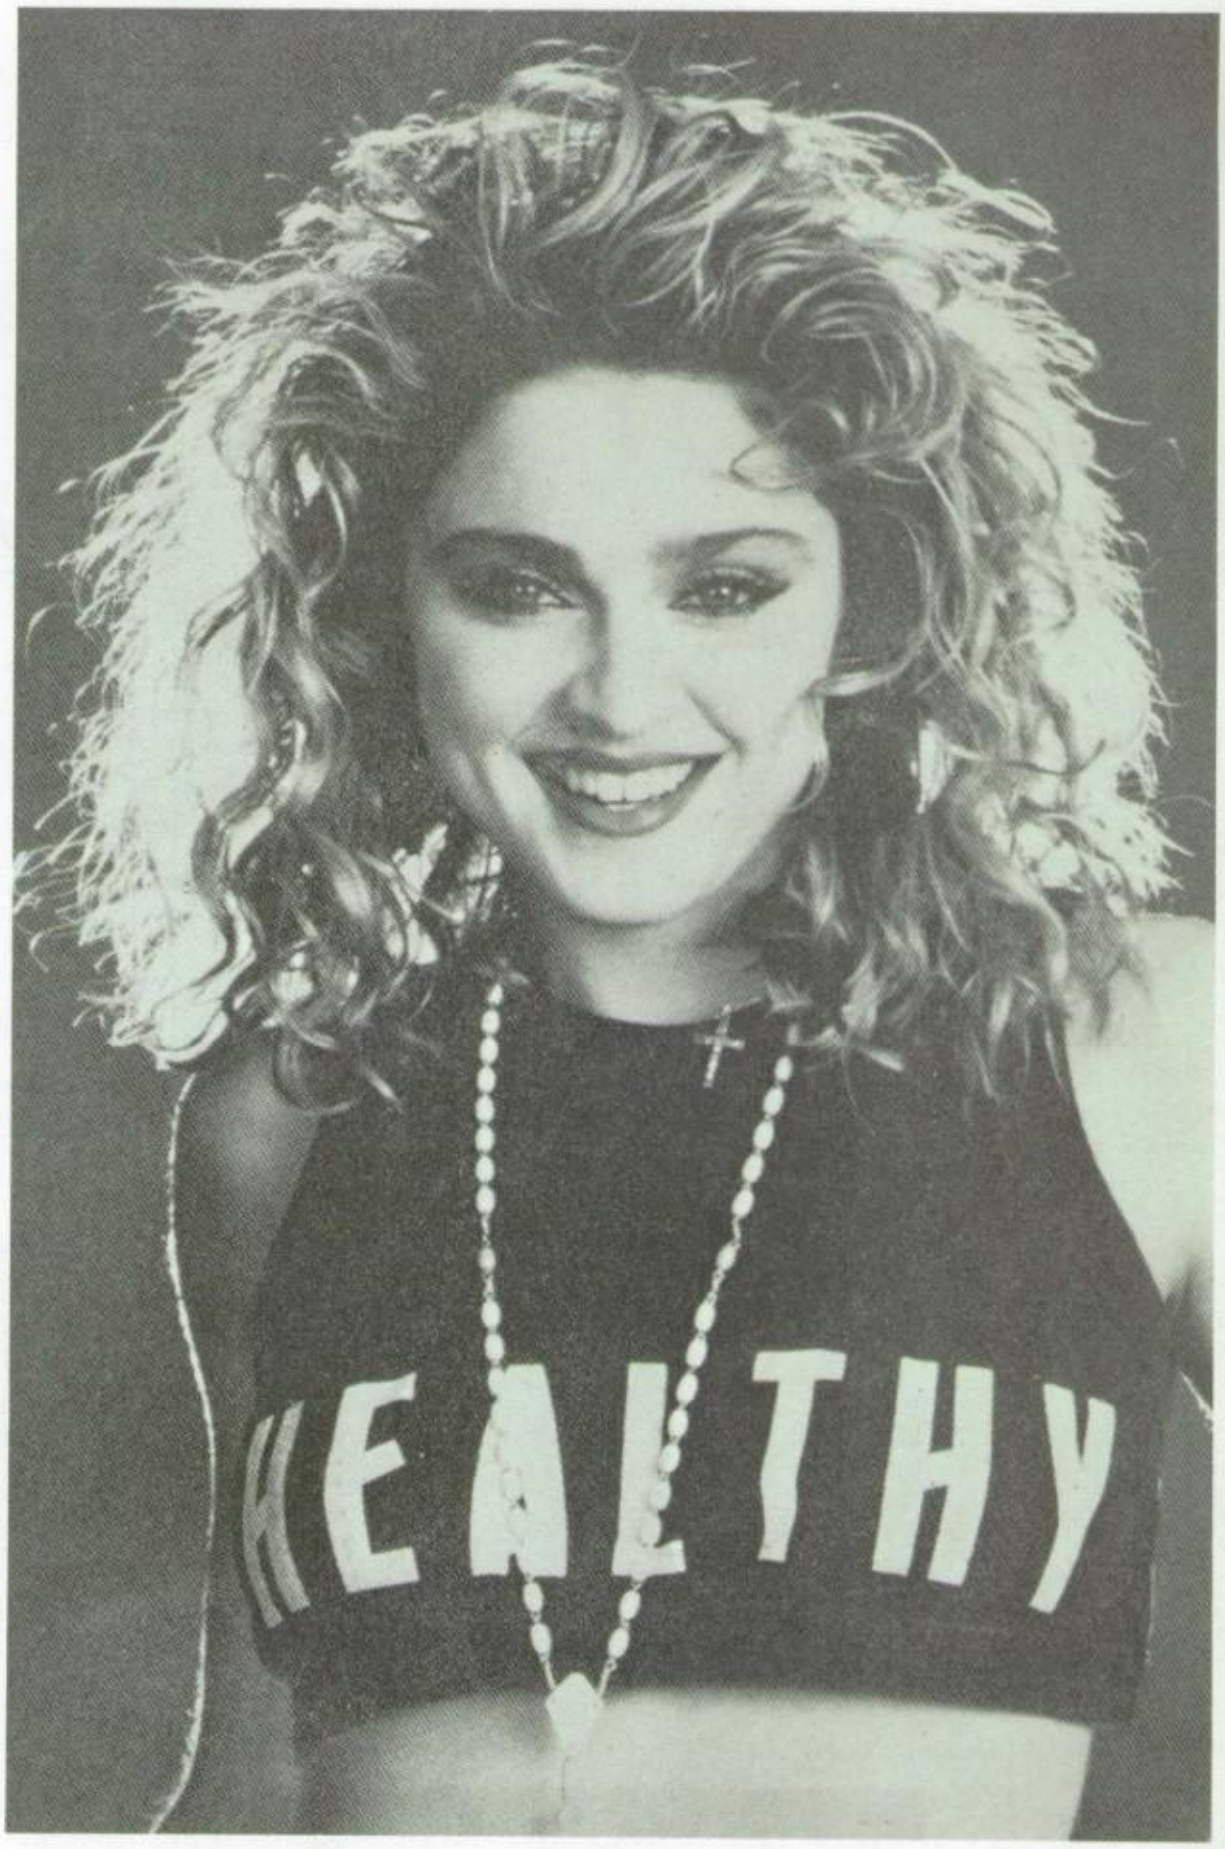
"Do you now understand the meaning of Zeitgeist?"

"Yeah, it's the overall feeling of Dundee in 1985. It's our attitude, our styles, and our events that make us unique and give Dundee High School's *Zeitgeist* of 1985."

It was a question of murder or self defense as Bernard Geotz will stand trial for the shooting of four teenagers who attempted to mug him in a New York subway car in December of 1984.

Singing star Billy Joel and Cover Girl model Christy Brinkley exchanged vows in a small, but highly publicized wedding in April.

Although her concerts were short with only 11 songs, both shows were soldout for Madonna's Virgin Tour stop in Detroit.



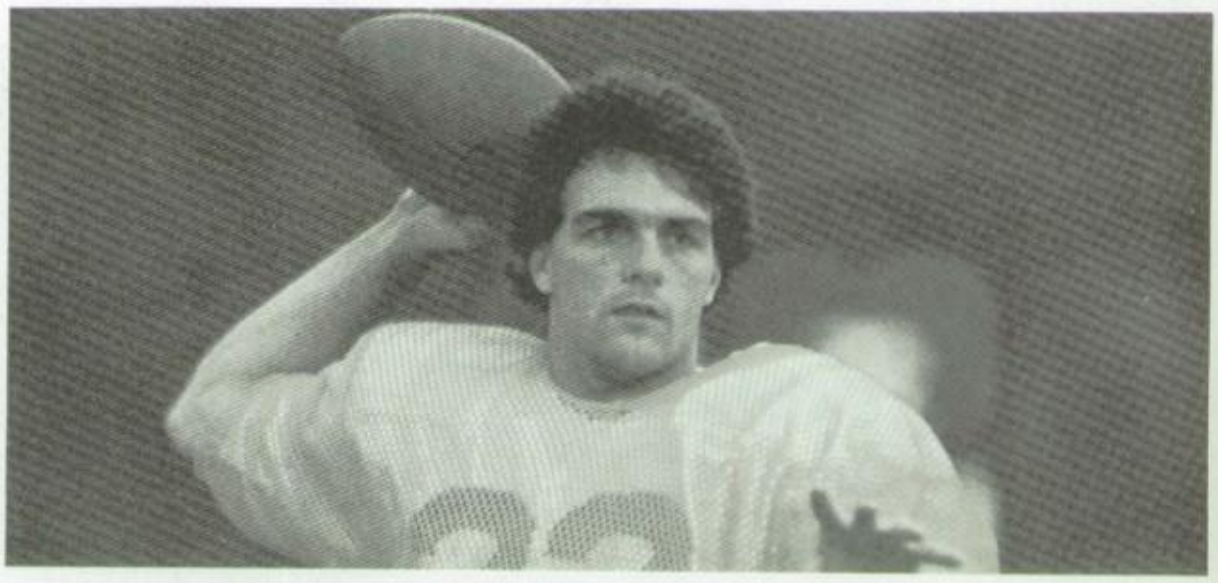
Students drawn to box office

Forty-five of the top names in American music including Lionel Richie, Michael Jackson, and Tina Turner gathered to record the hit record "We Are the World" to help fight the famine in Africa. The record was at the top of the charts for four weeks, and it was projected to earn an estimated $150 million.

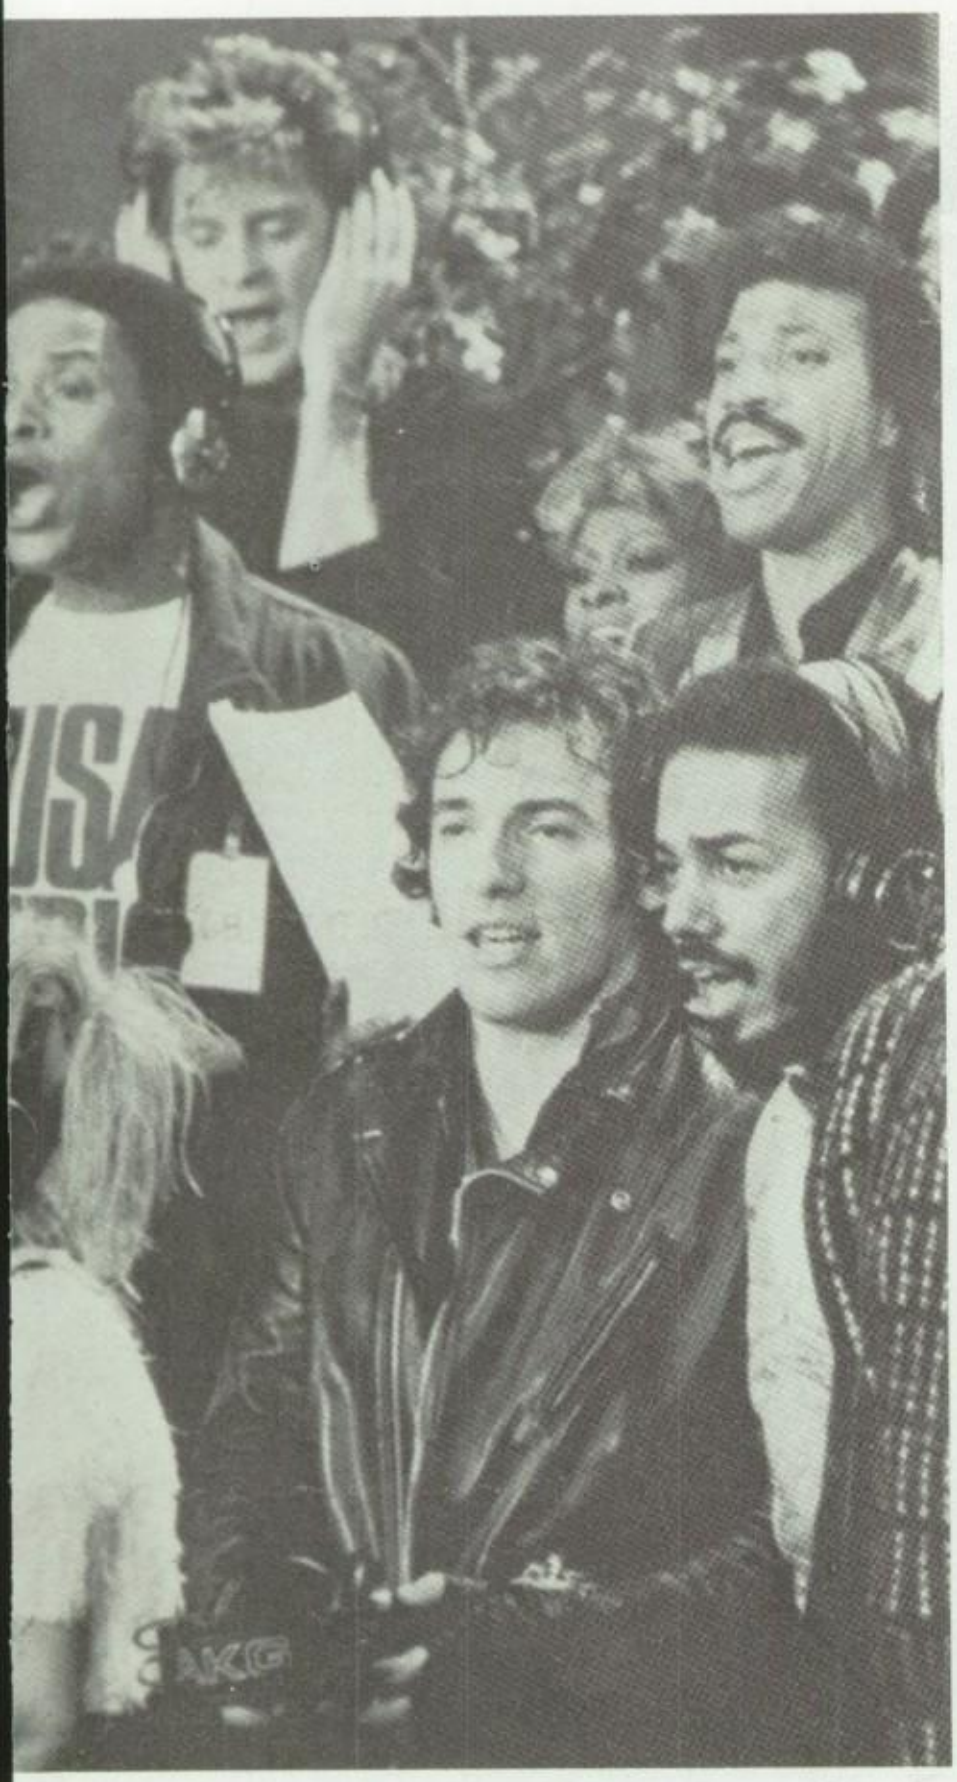
The movie *Amadeus*, which told of the life and times of Mozart, won the Academy Award for Best Picture, but it was far different movies that made a lasting impression on students in Dundee High School. *The Breakfast Club* gave new meaning to school detentions. The hilarious *Police Academy II* proved to be far better than its predecessor. The movie *Vision Quest* had a superb soundtrack with hits like Madonna's "Crazy for You" and Journey's "Only the Young." *Witness*, starring Harrison Ford, was but another great adventure movie to his credit.

Madonna's Virgin Tour, which stopped at Cobo Arena on May 25-26 was a much heralded tour that placed Michigan's own Madonna as the top multi-media star, replacing Michael Jackson and Prince, who were at the top in 1984. Her roles in *Desperately Seeking Susan* and *Vision Quest* only strengthened her popularity.

Prince released a new album entitled *Around the World in a Day* with the hit "Raspberry Beret" in April. He also announced his retirement from public appearances at the end of his concert tour.

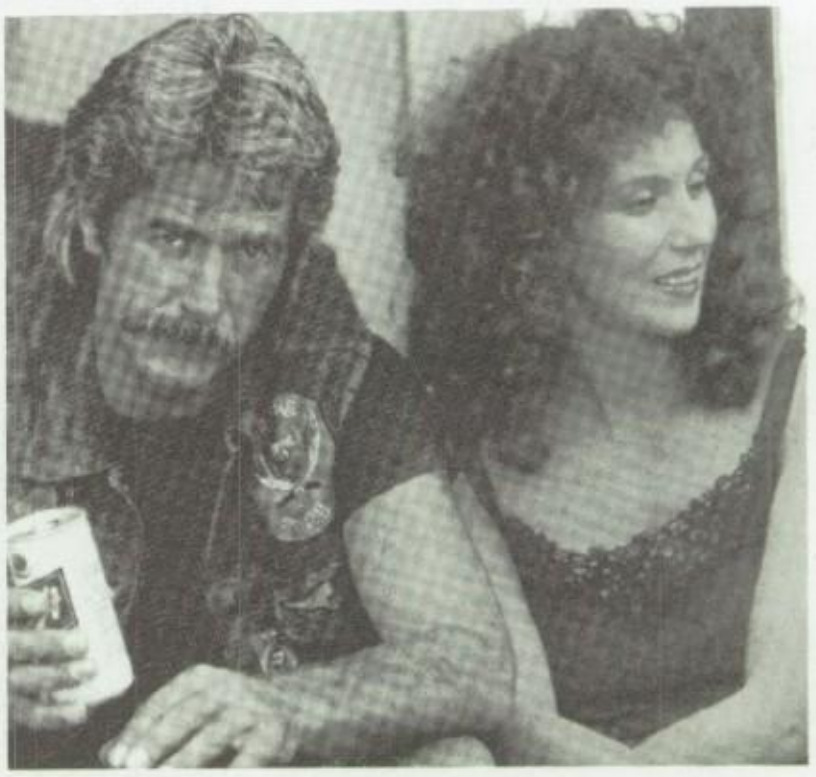


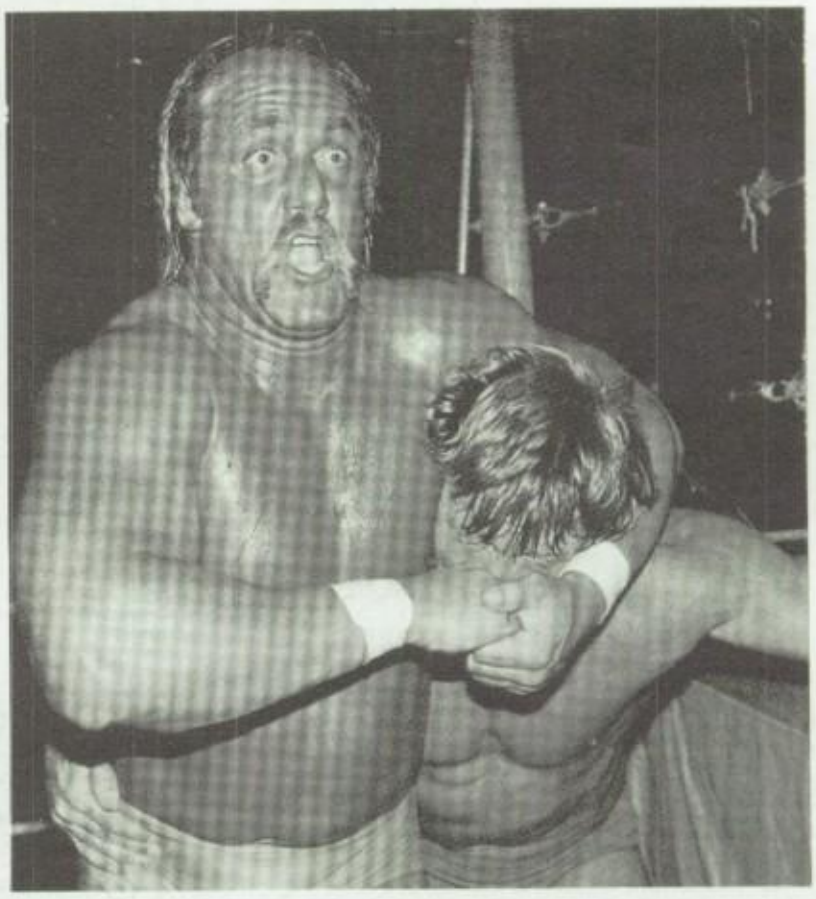
Boston College's Doug Flutie is the world's highest paid quarterback with a $7 million, five year contract with the New Jersey Generals.



U.S.A. for Africa (United Support of Artists for Africa) sold 4,000,000 copies of "We Are the World" by the end of May with sales still climbing through the summer.

Mask starring Cher and Sam Elliot told the true story of Rocky Dennis (played by Eric Stoltz), who suffers from a rare disease that leaves his face deformed, and how he conquers his handicap.





Big time wrestler Hulk Hogan was seen not only in the ring, but on talk shows and as a guest VJ on MTV.

"The Cosby Show" starring Bill Cosby was the top show of 1985 according to the Neilson Ratings. The NBC Thursday night show told the story of the Huxtables, an upper class black family.

Gina,

Can you believe it - We're Seniors - alright! I am only glad to say that I met you when I did and your part of my Senior Class. We didn't get to know each other well but it was enough for some crazy times between us! Don't forget the times we had in track - in all. You also have one of the sweetest most kind & gentle personalities - Don't ever change for anyone! Stay Cool - Good luck in the future with you cheer and success also the guys! I'm sorry that I also wrote on this page!

Regina

We've known each other since (get this) 4th grade. Remember the strange Kidstuff we used to do.

You're a very beautiful girl who has the amazing ability to achieve each and every one of her many goals. Never stop believing in yourself & never stop dreaming.

Good luck in your future years and please try to remember me (I know it'll be hard)

love ya mon

Seniors YEA!!!!

"CLASS OF 1986" the best ever!

Gina,

Hello there chic! Well dear we have finally made it to the top! How does it feel to be one of those Big Bad Seniors? It feels GREAT!

You have been one of the Greatest friends a friend could be. and I love you for it very much. You've been there when all of those dickheads went for a ride on my emotions and I was there for you. Remember Joey B. and Jim I? Geez what hell we went through and for nothing! But you have finally come out in the good and you've got ya a winner.

Remember way back in the 8th grade when we all thought partying or even kissing was a sin. 9th grade we started loosing up some. And finally in the 10th grade all hell broke loose!! Those were the good ole' days! These days aren't so bad either.

Don't ever think I'm mad or that I hate you, cuz if you do I'll kill ya! No not really. You know me good enough now, that whenever we have problems with each other we can talk it out seroiusly!

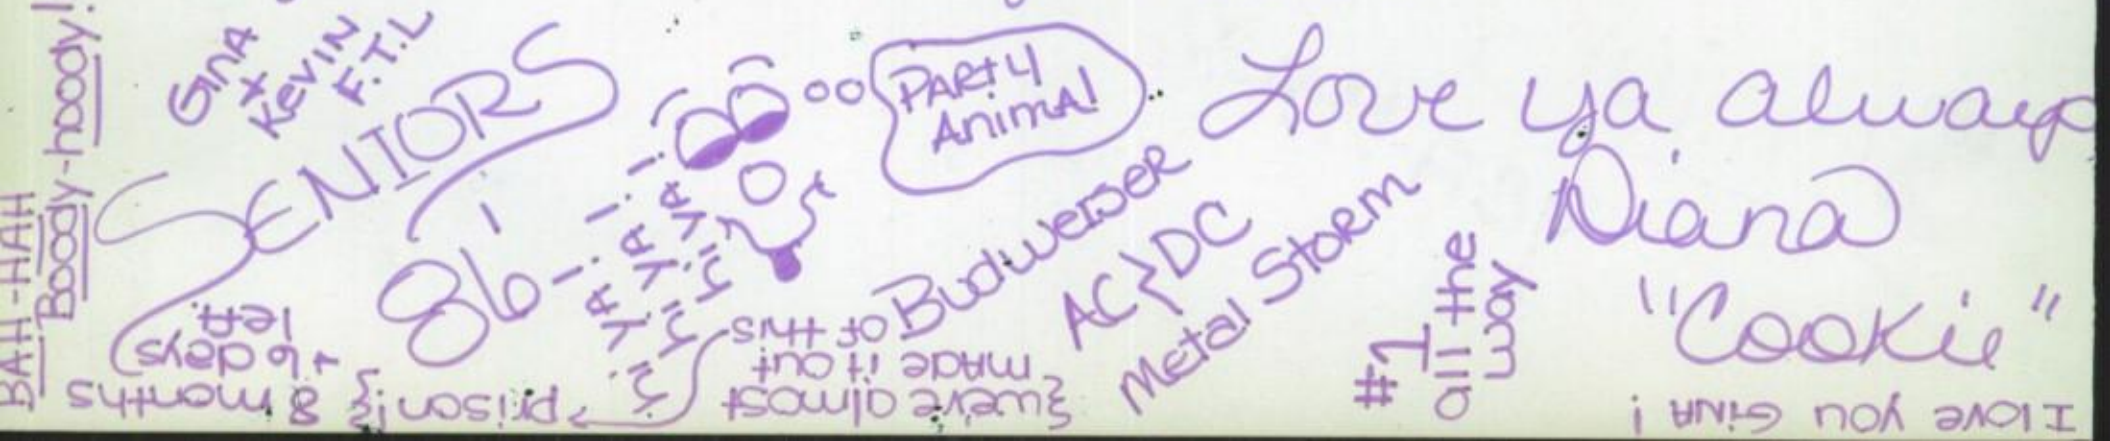
Don't ever forget the wild-n-crazy times we've had at good ole' Dundee High. Raise a little more hell this year, this will be your only chance to do it, cuz we return no more after "June 1, 1986"!! Yeah!!

I hope that you succeed in all your goals Probably don't need to say that cuz I know you will. May your future be filled with much happiness + Budweiser + also Kevin. But don't get to carried away with the Budweiser party but not to much, it'll wear your ass out.

Stay in touch this summer! If you don't I'll be over knockin' down your damn door!!

I love you Gina very much. You're been a great friend and a lovely sister!!

Love ya always,
Diana
"Cookie"



Dina,

Hey babe!! Whats going on? Well this is it! Your last year at Dundee High School! Thank god right? Well we've had the best of times together that I will never forget - how could I right? Don't forget some of the best times like the night we stayed at your grandpa's and drove all the way back to Dundee in a terrible snowstorm just so you could go to Dennis Hartmans party. Then we had a great time trying to get back + got stuck on that one dark road!! Or the wild time you, Wayne, Mike and I went out Dancing on the back roads getting many. That was wild. There's just so many great + fun times I could sit here and write forever. Good luck in all you do in the future with your last year in school you deserve the best. You're like a sister to me and I feel closer to you than I feel to almost anybody. We've had our ups and downs, our good and bad times (mostly good) and our long talks when we laugh and cry. I don't know what we will do if we ever go our own ways and end up at two different sides of the world. We better always keep in touch — because I'm going to make sure we visit each other + your dream comes true = you have a gorgeous rich hubby and your mazda RX7 !!! Life seems so weird, we probably would have never been friends if you and Joey never were boyfriend + girlfriend - how cute! There's so much that I could write on our good times together, all the secrets we've shared the things you've done and didn't even want to tell me!! (☺) or the other thing - but that's okay I won't hold it against ya ☺ Well babe don't be mad for me not writing out our life together - But I think you know how I feel. Take care of yourself. Good luck in all you do in the future with work or school and when you meet Mr. Right. I want to be the first one to know about it!! I miss the days in school, the times at sports events and especially the good ole days in track - some of the best times in my life!! Be good honey - your the best ☆☆☆

Love ya lots
Annie

Kimbles & Bits

Dina,

You're a real pretty girl. But man you are crazy. I guess that's what makes you so special. I'd say that you probably have the best personality in school, you aren't stuck up and you talk to everyone, well, it's been great having you in school with me, and I'm real happy that I was able to meet you. Don't party too much, have a good one.

Love ya,
Christine Mayfield

Dina,

Well Darlin, you should have known that I could never write everything down just on what sheet of paper so I have to finish here and this won't be enough but I'll try ☺ Well, as I was saying you deserve so much in your life and I hope your last year is one of your best and that you keep in touch with your big sis because as you know - I love ya ☺ and I am always going to be here for you especially since you've always been there for me. You are one of most gorgeous, beautiful sweet friends I've ever had so I'll miss you when you're president of the U.S. or Miss America or something because you've got what it takes to be a success at no matter what you take on. Just wonder why? # hang on and go for it!! Whenever I hear AEROSMITH I always think of you. I'll still always remember when we are 88 and 99 and still partnin to the same music! I bet you will call Dough the same. I love it, it's so cute

Hope we never change

Regina;

Well sis, where to start? There have been so many *GREAT TIMES*. Don't ever forget them (or you'll here from me.) We've gone on family trips together --- partied together --- gotten in trouble --- laughed & cried an awful lot --- and shared too many *special* secrets to count --- and it's about Damn time we double dated together, after 6 years of being so close we finally did! You've always been there for me when other people were too busy to listen, and I owe you a lot! Thank You So Much for FINALLY getting Jerry & I together. It took me long enough to get my shit together, and if it wasn't for you & Kevin, I may not have done it then. I don't really think I need to tell you how happy that has made me --- I think it's the *best* thing you've ever done for me. Thanks Sis, I love You! I'll always be grateful to you for what you did.

This is it! our last year of high school together. We've got to make it the Greatest year, ever! I hope we can always stay in touch. I know we'll both be going our own way (sometime) after graduation, but I think we can handle giving each other an update on our lives once in a while.

I'll be the first to admit that there have been times when I'd like to strangle you, & I know you get pissed

P.S.
I will never forget the time we went to the circus and our love for koala bears! Good luck with Kevin He's lucky and everything I love ya Babes Love Julie

Bits 'n Pieces

86 One hundredth class to Graduate from big bad Dundee High!

sorry I hogged up so much room but what can I say? you have a lot of remembering to do!

yeah

Love you!

PS Love Chicki B

Good luck Kevin and Good luck you too!

Kevin gonna miss you!

Good luck you'll need it!

Kevin gonna miss you!

Good luck you'll need it!

Kevin gonna miss you!

Good luck you'll need it

Gina,
hi Babe.
I just want to wish you all the happyness in the world I hope your future is filled with laughter and great times. All never forget all you have done for me and the class of "86" you have really shaped us into the best class to ever walk out of here! we all thank you for that. I want to thank you for being there when I wasn't myself you helped me to understand things that alone I might have gone crazy trying to figure out. All never forget 6th grad science class when you put your hand through the glass in the door ~~Cindy~~ Tim Simmon wigglesdent let us in. That was great. I looked up to you then as I do now, your a very together and intelligent person (ok so maybe I am over doing it dinner!!) really now without you for a side for this class we may not have had all the fun times we've had in the passed, present and future! thank-you Gina we love ya! I wish you the best=nothing all will ever do. YEA!

forever!

Gina,
You're a real nice person and I'm real glad that I got to know you. I hope that we always stay friends and after this is all over will have a few parties. When that's over it's time to settle down with a decent job or a decent college. Good luck with what you do. Don't party to much. but enough We finaly made it.

Seniors, class of "86" number one of 100 classes.

Gina,
As a nearly sweet but crazy person. I'm glad that we have become better friends. We finally made it! *Seniors*. Enjoy your last year (lets) and give them something to Remember us! Take care and keep in touch!

Love Ya,
Shelly

Take Care.
Love ya,
Tracy Lynn

Gina,
I can't believe we're finally here! I wanna say thanks for being there when I needed you! I'll always be here for you! Good luck in everything you do, and who ya do it to. Have one hell of a Senior year!
Love ya always'
Theresa

"Seniors"

Gina,
You're a real sweetheart, & I hope we're always friends. After graduation don't ever forget me! Remember all the times we had at heath's, slumber party's. Before schools out we'll party together. Make this yar your greatest, its your last. Remember how much you love your teachers (Mr. Barnes). You're a wild & crazy girl, don't get too wild they'll send you to Ypsi. Wish ya all the luck in the world. (you don't really need it.) Keep it up and you'll go far.
"86"
all the way!
Love ya dearly not querly

Gina
To sweet girl we've known forever a lot of fun. I'm glad we met! Good luck with everything you do and with Kevin!
Love ya

Gina,

To one of the sweetest and best looking girls I know. Even though you seem to pick on me more than anyone else, I consider you one of my best friends. You know you pick on me because you like me. I hope all the years that follow High School are as happy as can be. If you achieve half as much after High School as you have achieved in High School, you'll do fine. Good Luck in everything you do.

Love
Rodney

P.S. Don't forget to envite me to the wedding.

Regina, (Pres)
Boy, there is hardly enough room in here. (—) What can I say to sign that nobody else hasn't already? I know a lot about this Prof. Great! I know even more about you. But if you ever need me, I'll be there for you. Love ya always. Everything!

Gina
So a real good friend I have known for awhile. Remember the time Nikki Ker you and I went out it was Nikki's first time driving. She kept telling us to shut up all our little talks in track. Our wonderful American History class with Mr. Borgstadt. Well dear best of luck in everything you do never forget the good times at Dundee

Love Becky

Gina,

To one of the sweetest girls I know. don't remember me just for being a nuisance, although that's what I'm most famous for. Good luck in all you do in the future & the rest of the year here at D.H.S. Don't worry about me keeping in touch I don't be surprised when you hear from me out of the blue. but most of all thanks for being a friend & a pretty good looking pres. dent, who knows maybe you will become president of the united states. Stay pure & sweet for as long as you can.

Love & Friendship,
Always
Georgeann

P.S. see you at the Reunion 5 or 10 yrs.

Gina,
To a great girl with a wonderful personality. Can't believe we are finally so long top! It's been since we started school- 13 long years ago! Stay way to go you are far! Good luck future expectations & the best year ever!
